3.6 Amending This Contract

3.1 **ANNUAL NEGOTIATIONS:** Negotiations will be conducted each year under the ground rules as mutually agreed upon prior to negotiations. 5.23 The Board agrees to provide the Association a box at the district office mailroom for the collection of informational materials from the Superintendent and his staff as well as Board members.

8.2-5. Paraeducators shall not be reassigned to temporary duties, including substituting for absent teachers, except in an emergency or with the approval of the principal/designee. To avoid undue impact on the
paraeducator or the teachers they assist, such reassignments should be rotated among all available paraeducators.

PreK Migrant CDAT’s and PreK Early Intervention CDAT’s and their respective paraeducators subject to the one to ten ratio in Florida Statute shall not be reassigned to duties, except in emergencies, when such duties would compromise the mandated one to ten teacher/student ratio.

8.2-6. The Board and the Association acknowledge that paraeducators shall be used to assist with and reduce teacher’s non-instructional responsibilities. Paraeducators must not be responsible for creating independent lesson plans or assigning grades for quarters or semesters.

8.2-7. Paraeducators may be re-assigned by their principal/supervisor on a temporary basis to a different Paraeducator job title (APPENDIX B – PARAEDUCATOR PAY GRADES) due to an extended absence of the regular employee. Extended absence is defined as ten (10) consecutive duty days. Such re-assigned Paraeducator shall receive one dollar per day per increased pay grade they move. Payment will be retroactive to the first day of the re-assignment.

8.2-8. Due to the absence of a teacher and the lack of an available substitute, a paraeducator may be assigned by his/her principal/supervisor as a substitute for that teacher. Paraeducators will not be expected or requested to create lesson plans. The paraeducator will receive a supplement of $20.00 per day. If the position is filled for a half day (3.25 hours) the paraeducator will receive a $10.00 supplement. The supervisor must present the paraeducator with the substitute form, which includes the unfilled job number. Upon completion of the workday the paraeducator must present this form to the payroll secretary for payment in the next available pay period. When a job number is not included with the request to substitute, the paraeducator can refuse the temporary substitute position. By mutual agreement of the administrator and the paraeducator, compensatory time may be earned in lieu of a supplement: one day of subbing earns 3 hours of compensatory time; one-half day of subbing earns 1-1/2 hours of compensatory time. The use of this compensatory time will follow the guidelines set forth in 6.2, Personal Leave Chargeable to Sick Leave.

8.2-9 Employees shall not be required or requested to assist with the moving of boxes and/or furniture for other employees in excess of the Physical Environment section as defined in their job description without being provided appropriate equipment to do the job safely.

8.3 LENGTH OF WORKING YEAR: All paraeducators shall work 186 days. One hundred eighty days (180) while students are in attendance, two (2) days prior to the beginning of school and four (4) days shall be paid holidays unless otherwise specified in the appropriate appendices.

Network/Computer Lab Paraeducators may be granted up to seven (7) days of extended contract at the request of the school principal. Extended contract days are limited to those days that are recognized as teacher workdays.

8.4 WORKING HOURS:

8.4-1. The length of workday for paraeducators shall be seven and one-half (7 1/2) hours per day, including early dismissal days for students, unless otherwise specified in the appropriate appendices. Employees will be provided regular start and end times which shall be consistent throughout the year unless a specific variation is provided for in this contract. Start and end times may be changed provided that such changes are deemed necessary by the employer. When an employee's work schedule is to be changed, a two (2)-week notice will be given in writing (dated), except in cases of emergency.

8.4-2. Full day paraeducators shall have a paid duty free lunch period of not less than twenty (20) minutes of each school day, scheduled around the regular school lunch hours. On non-student days there shall be a one (1) hour lunch break. When a scheduled lunch period is unfeasible, the principal/director must consult with the Director of Employee Relations to work out a solution. The Association President will be notified of the situation and proposed solution. When a duty free lunch for the Licensed Practical Nurse (LPN) or the Sign Language Interpreter is unfeasible, they shall receive one-half (1/2) hour pay supplement upon prior approval by the Assistant Superintendent of Learning Support.

8.4-3. Full day paraeducators shall have a fifteen (15) minute break in the morning and a fifteen (15) minute break in the afternoon while classes are in session. When a scheduled lunch period is unfeasible, the principal/director must consult with the Director of Employee Relations to work out a solution. The Association
President will be notified of the situation and proposed solution. When scheduled breaks for the Licensed Practical Nurse (LPN) or the Sign Language Interpreter are unfeasible, they shall receive one-half (1/2) hour pay supplement (prorated for each break missed) upon prior approval by the Assistant Superintendent of Learning Support.

8.4-4. Paraeducators who are enrolled in an approved degree seeking program as per Article IX shall, with advanced notification and approval of their principal/supervisor, be allowed to forego one or both of their two (2) fifteen (15) minute daily break times and/or their duty free lunch period in return for up to one (1) hour early release to attend afternoon classes. A schedule showing these classes shall be presented to the principal/supervisor prior to the start of each semester. In an extreme/emergency situation the paraeducator may be required to stay until the situation has been handled per the principal/supervisor.

8.4-5. The principal or immediate supervisor shall have authority to grant an employee's request for variation from the regular school day for doctor/dental appointments when circumstances necessitate such a procedure. When granted, such variation shall not result in loss of pay or accumulated leave days to the employee.

8.4-6. Section §.1011.62, Florida Statutes, requires that each school district having one or more of the state designated lowest-performing elementary schools based on the state reading assessment have teachers or reading specialists, effective in teaching reading, provide an additional hour of intensive reading instruction each day of the school year at these schools. In order to comply with this mandate, paraeducators who normally work a 7 ½ hour day will work a 7 ¾ hour day and will be paid at their daily rate of pay. In the event that a paraeducator does not wish to work the 7 ¾ hour day, the principal shall have the authority to grant the request allowing the paraeducator to continue the traditional 7 ½ hour day, as long as the additional hour of intensive reading instruction requirement can be met. All contractual rights including Sections 8.4-2 and 8.4-3 regarding duty free lunch and breaks will be honored.

8.5 PERSONNEL FILE:

8.5-1 Personnel files shall be maintained in accordance with §.1012.31 Florida Statute. Each paraeducator shall receive a copy of all evaluative, reprimanding, disciplinary, complimentary, and derogatory reports to be placed in his/her personnel files at the school/department or District office. The paraeducator and/or the Association, upon written authorization from the paraeducator, may review and reproduce the contents, at his/her expense, of any of same. The review shall be made in the presence of the principal/administrator, or his/her designee, responsible for the safekeeping of such file. The paraeducator may challenge, through the established grievance procedure, the maintenance of any document therein.

8.5-2 When statements are made against a paraeducator, no written copies or related materials will be placed in the paraeducator's individual file, nor any disciplinary action taken against a paraeducator until the paraeducator is made aware of the person who is making the accusation, the matter is discussed with the paraeducator, and the paraeducator has received a copy. Before disciplinary action is taken, the paraeducator, at the discretion of the principal/administrator, shall be given opportunity to confront the accuser. If the principal/administrator finds that the statements or accusations are false, no record shall be maintained.

8.5-3 At the written request of a paraeducator, any report in a paraeducator's personnel file (school/department, district) excluding assessments or observations, that may be considered or construed by the paraeducator and/or Association to be reprimanding, disciplinary or derogatory will be placed in an envelope and labeled "confidential and not relevant for disciplinary purposes" and returned to the personnel file. This would be done only after three consecutive years of no serious reprimands or problems on record. This provision does not apply to criminal charges or convictions.

8.5-4 Materials relating to work performance, discipline, suspension, or dismissal must be reduced to writing and signed by a person competent to know the facts or make the judgment. No such materials may be placed in a personnel file unless they have been reduced to writing within 45 days, exclusive of the summer vacation period, of the school system administration becoming aware of the facts reflected in the materials. Additional information related to such written materials previously placed in the file may be appended to such materials to clarify or amplify them as needed. A copy of such materials to be added to an employee’s personnel file shall be provided to the employee. The employee’s signature on a copy of the materials to be filed shall be proof that such materials were given to the employee, with the understanding that such signature merely signifies receipt and does not necessarily indicate agreement with its contents. No anonymous letter or anonymous
materials shall be placed in the personnel file. An employee has the right to answer in writing any such
materials and the answer shall be attached to the file copy.

8.5-5 Except for items that are by law exempt, all material placed in the paraeducator's personnel file shall be
available to the paraeducator at his/her request for inspection.

8.5-6 There shall be a single point of contact in the Human Resource Services Division for an employee or the
Association to review the personnel file as defined in FL Statute. Furthermore, it is agreed that the
school/worksite shall send those materials noted in 4.5-3 to the Human Resource Services Division for
placement in said personnel file.

8.5-7 A memorandum will be distributed annually from the Human Resource Services Division to all
administrators reviewing the expectations for personnel records set forth in Article 8.5.

8.6 UNSAFE WORKING CONDITIONS: The Superintendent shall be responsible for determining unsafe
and hazardous environmental and teaching conditions under which paraeducators shall not be required to work.
Such conditions shall be reported in writing to the principal/supervising administrator. If a resolution is not made,
the assistant superintendent shall be notified in writing, with a final appeal to the superintendent.

8.7 EVALUATION: An annual evaluation shall be given by the immediate supervisor to the employee
in a confidential manner.

8.7-1. The President of PEA may name two paraeducators to the Non-Instructional Assessment committee.
The committee will meet bi-annually to review the Non-Instructional Assessment tools and make
recommendations.

8.7-2. Instructions to obtain electronic access to the Non-Instructional Assessment handbook will be provided
to all non-instructional employees within the first fifteen (15) contract days of each year.

8.7-3 The immediate supervisor is the evaluator and may receive input for evaluation purposes from
employees who have been designated the responsibilities of directing the employee in their work assignments.
If an employee so requests, he/she shall be evaluated by his/her Principal/Supervisor.

8.8 PROGRESSIVE DISCIPLINE:
Progressive discipline by the administrator/superintendent shall be followed except in cases requiring
immediate action. Progressive discipline shall mean:

   verbal warning is not a written reprimand).
2. Written letter following a conference.
3. Suspension without pay for up to five (5) days.
4. Termination

Progressive discipline steps two through four should be copied to the Director of Employee Relations, Senior
Director, and Polk Education Association. "Letters of Concern" are not a form of discipline.

8.9 ABANDONMENT OF POSITION:
When an employee fails to obtain prior approval for absence from work or fails to notify his/her
immediate supervisor of his/her need to be absent and is absent for three consecutive workdays, the employee
shall be considered to have abandoned his/her position and resigned as an employee of the Board. Special
consideration will be given in case of emergencies.

As of July 1, 2009, all newly hired paraeducators, or paraeducators returning after a break in service, with the exception of LPN paraeducators, must document proof of satisfying “highly qualified” requirements. All paraeducators are highly qualified if they have met one of the following:

They may also assume limited duties that are assigned to similar personnel who are not working in a Title I and/or a school in need of improvement as identified on the Differentiated Accountability Matrix including duties beyond classroom instruction or do not benefit participating children, so long as the amount of the time spent on such duties is the same proportion of total work time as prevails with respect to similar personnel at the same school.

9.8-4 Beginning August 1, 2010, paraeducators who have not satisfied highly qualified requirements and who are assigned to positions in either Title I Schools or schools in need of improvement, as identified on the Differentiated Accountability Matrix, which require them to be highly qualified will be assigned and/or transferred to another position for which the employee is qualified. If no such vacant position exists, the District will follow layoff procedures outlined in Article X.

ARTICLE X. TRANSFERS LAYOFF AND RECALL

TRANSFERS:

10.1 REQUEST FOR TRANSFER: Unless the paraeducator and both principals agree, no transfers shall be allowed during a period spanning from 14 calendar days before the first contract work day until after the 20th contract work day. A transfer will not be considered unless the paraeducator is qualified for such vacancy. All transfers shall be initiated by the receiving principal, with copies to the releasing principal or immediate supervisor and the Human Resource Services office. The principal, when making his/her decision, shall consider the following: seniority, educational qualifications, expertise and ability, prior job experience, performance
evaluations, and recommendations of previous supervisors. The transfer of the paraeducator will be subject to Board approval.

10.1-1 TRANSFER DURING SCHOOL YEAR: Paraeducators may request to be transferred when there are vacancies for which the paraeducator is qualified. Requests for transfer from one worksite to another shall be made electronically through the Applicant Registration System found on the District's website. Should a paraeducator be offered and accept a position during the school term, then the releasing principal must release the paraeducator from their school within twenty (20) contract days after being contacted by the receiving principal.

10.1-2 REQUESTS FOR TRANSFER BETWEEN SCHOOL YEARS: Requests for transfer from one worksite to another shall be made electronically through the Applicant Registration System found on the District's website.

10.2 VOLUNTARY TRANSFER: A Voluntary transfer to a higher or lower pay grade will be effective on the date of transfer. A voluntary transfer within the same pay grade will not receive a salary adjustment.

10.3 INVOLUNTARY TRANSFERS: The Board and the Association recognize that it may be necessary to transfer a paraeducator or paraeducators involuntarily. Involuntary transfers shall only be made due to the following: (1) loss of units or staffing requirements at particular locations, (2) providing for a racially balanced worksite staff, (3) dividing a worksite faculty to form a new worksite, (4) phasing out a program, (5) changing a program, (6) closing a worksite, (7) providing for a comparability of worksites for Federal program, (8) complying with a court order, (9) lack of required certification for position. Relocation shall be made after asking for volunteers and consideration of the following criteria: seniority, educational qualifications, expertise and ability, prior job experience, and performance evaluations. All employees so affected will be notified not less than four (4) working days prior to such relocation. The employee shall have the right to appeal an involuntary transfer first to the Director of Employee Relations, then to the Superintendent or his/her designee.

10.3-1 ESE STUDENT SPECIFIC PARAEDUCATORS: ESE Student Specific Paraeducators are considered Districtwide employees as they are trained and assigned to work with a specific student(s). If the assigned student transfers to another school within the District, the ESE Student Specific Paraeducator transfers with the student if the receiving school is within the mileage allocation, or they wish to accept the move. If the assigned student exits the District, or no longer requires a student specific paraeducator according to the Individual Educational Plan (IEP), the ESE Student Specific Paraeducator is displaced and will be reassigned, with the first priority being a vacant position within the next pay grade and mileage policies.

In case of layoffs ESE Student Specific Paraeducators will be given priority if they have received certified District training to meet the student’s Individual Educational Plan (IEP) including, but not limited to verbal de-escalation/restraint, Picture Exchange Communication System (PECS) training, toileting, minimal medical training, and/or mobility/lifting training.

10.3-2 In unusual and special circumstances the Superintendent may recommend to the Board that a paraeducator be transferred from one position to another specific position for which the employee is qualified/highly qualified for good and sufficient reasons. Any employee being transferred under this section may receive written reasons for the transfer, if so requested by the employee. Such transfers shall not become effective until approved by the Board. The term “unusual and special circumstances” shall mean, with respect to the involuntary transfer, that it is not practicable for the District to adhere to the requirements of Article 10.3. The District’s determination of non-practicability shall be subject to the grievance procedure set forth in the Collective Bargaining Agreement, School Board approval of the transfer notwithstanding.

10.4 INVOLUNTARY TRANSFER TO A HIGHER PAY GRADE: An involuntary transfer to a higher pay grade will result in the appropriate salary increase effective on the date of transfer. If an employee is involuntarily transferred to a lower pay grade that employee shall retain the same salary for the remainder of the current school year. The salary shall reflect the appropriate reduction at the beginning of the next school year. Employees shall receive credit for appropriate experience and in the case of paraeducators, college hours.

10.5 DISPLACEMENTS: Employees displaced for one of the reasons (1-9) listed in 10.3 will be placed on a "displaced list". Employees on the displaced list will be placed before new hires are appointed provided there are qualified employees on the displaced list for the vacant position. Effort will be made to identify and place involuntarily transferred employees within a radius no more than the current distance they drive to work or
25 miles, whichever is greater. Refusal by the employee to accept a position shall release the Board from further obligation to that employee. It will be necessary for displaced employees to provide an address and telephone number where they can be contacted during summer break to the Director of Employee Relations. Each displaced employee will receive a letter from their principal/supervisor that outlines the displacement procedure.

10.6 LAYOFFS:
In the event it becomes necessary to lay off employees, volunteers for lay-off will first be sought from among the affected positions. When a lay-off is necessary, the number of positions being eliminated will be determined by the District Office. The worksites will eliminate the necessary positions; those employees will be placed on the lay-off list. The District Office will cut the same number of positions from the employees with the least seniority in the District with the exception of positions that require licensure or certification. The employees on the lay-off list will be offered the vacant positions according to the RECALL language.

10.7 A meeting shall be held with the Association prior to any lay-off. The Board agrees to provide the Association with a list of names of the employees in the affected position and titles.

10.8 The employees in the affected position titles shall be notified in writing as soon as possible after the decision is made. In no event shall the Board give less than ten (10) working days notice to affected employees.

10.9 As soon as an employee is notified of his/her pending lay-off, he/she shall notify his/her supervisor and the Director of Employee Relations (Human Resource Services Division) if he/she is interested in being assigned to any other position within this bargaining unit for which he/she is qualified.

10.10 All laid off employees shall be notified and recalled in inverse order of their lay-off, provided they have the skill, ability, and qualifications required to perform the job.

10.11 An employee who has been laid off shall retain previously earned seniority toward salary advancement.

10.12 New employees shall not be hired into positions for which there are qualified employees on lay-off.

10.13 RECALL:
Any employee who has been laid off because of a reduction in personnel shall be recalled in inverse order to the first position in the District equivalent to that from which he/she was laid off. An employee shall be considered for positions other than those equivalent to that from which he/she was laid off provided he/she has the skills, abilities and qualifications necessary for the other positions.

10.14 Any employee on layoff will be maintained on the recall list for twelve months following the layoff notice. The Association shall be provided a copy of the list which indicates employee name, position title, and date of hire.

10.15 When employees on lay-off are recalled, the employee with the greatest seniority in that position title shall be recalled first. If the laid off employee is temporarily unavailable to return to work due to medical or FMLA reasons, they may request an extension of their recall rights, not to exceed two (2) months.

10.16 Within five (5) days receipt of a registered letter of recall, the employee shall notify the personnel office in writing whether he/she will accept reemployment. The Association shall be provided a copy of the recall letters.

10.17 If the employee does not accept the position, he/she will go to the bottom of the list. When the employee comes to the top of the list for a second time and does not accept the position offered, the Board shall be released from further recall obligation.

10.18 If every employee on the list has declined an opening, the district will place the least senior employee on the recall list in the vacant position provided they have the qualifications, certification, and/or prior job experience required to perform the job. This shall be treated as an involuntary transfer.
10.19 When an employee is offered a position at a worksite which is twenty-five (25) miles or more from his/her residence, he/she shall have the right to turn down any/all offered positions and maintain their position at the top of the recall list.

10.20 MAINTAINED SENIORITY: Employees on authorized leave or layoff shall maintain their original date of hire. An employee that fails to report for work within three (3) days of the recall from lay-off shall be considered terminated.    a. Any pattern of less than **Effective** on any Essential Performance Criteria, observable and non-observable, will result in intervention by administration and development of a plan for improvement.  
   b. **When student progress monitoring shows early data indicators in need of improvement, there will be a meeting with the teacher to discuss the Essential Performance Criteria and develop a plan for improvement as defined in the Teacher Collective Bargaining Agreement.** The plan will be monitored and failure to show improvement can result in the teacher being moved out of the school.  
   c. Teachers may be involuntarily moved if, in conjunction with the Superintendent’s designee, the school administration and/or External Operator, believes it is in the best interest of the students and the student data reflects the need for a change. Prior to removing teachers from the school, the Human Resource Services Division will work with the school administration and will ensure placement of identified instructional personnel.

12. **Performance Award June 2020**: If Bartow Middle School attains the objectives as set forth in the School Improvement Grant Cohort 4, then all instructional staff (Teachers covered by the Teacher Collective...
Bargaining Agreement) will receive a one-time $3,000 stipend. All other staff, including Educational Support Personnel and Paraeducators) will receive $1,000.

13. **Funding:** If additional funds for schools are available either from a grant or other source while this MOU is in effect, the District and PEA will discuss any appropriate amendments and distribution of such funds. Payment of stipends is contingent on continuation of grant fund award.

This agreement will expire June 30, 2020.
HEALTH PLAN DESIGN AND PREMIUM CHANGES FOR 2019
