A copy of such materials to be added to an employee’s personnel file shall be provided to the employee. The employee’s signature on a copy of the materials to be filed shall be proof that such materials were given to the employee, with the understanding that such signature merely signifies receipt and does not necessarily indicate agreement with its contents. No anonymous letter or anonymous materials shall be placed in the personnel file. An employee has the right to answer in writing any such materials and the answer shall be attached to the file copy.

4.5-4 Except for items that are by law exempt, all material placed in the teacher's personnel file shall be available to the teacher at his/her request for inspection.

The Board and the Association agree that, in order to encourage the efficient use of time and to conserve paper, paperwork required of teachers should be kept to a minimum.

6.1-1 As a part of teachers’ professional responsibilities, they are expected to attend such after school activities as: parent-teacher meetings, open house, graduation. The parties recognize that teachers have obligations outside their professional responsibilities and agree that schedules for such activities shall be provided no later than the last day of teacher pre-planning of each school year and that flex time be provided to those participating teachers by mutual agreement of the principal and teachers.
6.1-2 With the exception of the last grading period, grades will be due by the end of the duty day of the second working day following the end of the grading period. For the last grading period, middle and high school grades will be due at 8:00 a.m. on the first workday following the last student contact day. For teachers of graduating seniors, grades will be due one (1) day before the last official school day for seniors. Grades should be submitted no later than the end of the duty day for this group and the date will be determined during second semester. For elementary schools, grades will be due on the 172nd student day. The exact due dates and time for grades will be published within the school calendar whenever possible.

6.1-3 If a teacher is required to utilize a specific software program in the execution of their job, that program must be available to them in their classroom. If software is unavailable appropriate handwritten forms may be used.

6.1-4 Substitute teachers shall be employed, when available, for all absent teachers. Employees shall be able to report an illness with one contact 24 hours per day whether through a phone call or through a computer to an automatic substitute placement system. In the instance of an employee who has been the subject of disciplinary action for absenteeism, a call to a school’s administration can be required. This contact shall satisfy any requirements for scheduling a substitute, if required. When a substitute is not available, the unfilled job number from the substitute placement system must be provided to impacted staff upon request. Substitute teachers shall be expected to perform all of the teacher duties normally performed by the regular teacher as determined by the building principal. Except in emergencies, classroom teachers will leave adequate written teaching plans for the substitute teachers so that the normal classroom activities may be carried out.

6.1-5 A teacher may be requested, but not required, to substitute during his/her planning time for another teacher.

6.2 Teacher Workday: The workday for all teachers shall be no more than 7¾ hours. On non-student days teachers shall have a one (1) hour lunch break. On student days a teacher shall be scheduled for a maximum of 360 minutes per day of student contact, a duty free lunch period equivalent to that of the students, and at least 45 minutes of uninterrupted planning time for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule. Remaining minutes of student contact time may be utilized for non-instructional duties and may be accumulated within the week to facilitate this required coverage within the teacher’s duty day. The staff shall be involved in designing the non-instructional duty schedule.

6.2-1 If the implementation of arrangements (e.g. re-assignment of paraeducators, changing of duty schedules, changing of teaching schedules of specialty teachers, etc.) for a duty free lunch equivalent to that of the students is not acceptable to a majority of the school faculty as determined by secret ballot vote, then this provision shall not apply. The determining secret ballot vote must occur at an announced time and place where ballots will be distributed, collected and counted publicly by the principal and teachers to include PEA representation, and, which allows for all teachers to attend. The vote must take place annually during the week of pre-planning.

6.2-2 Teachers assigned to Traviss and Ridge Technical Colleges shall work a seven (7) hour day consisting of three hundred thirty (330) minutes per day of instructional contact time and three hundred (300) minutes per week of planning time. Those employees who are under a teacher contract but do not have 330 student contact minutes per day shall work the regular 7 ¾ hour day.

6.2-3 Teachers at the Area Technical Colleges in special programs (such as: State Licensure Programs, Less Than 5 Days, etc.) shall work no more than a 35-hour week with no more than 1950 minutes of student contact time per week and no less than 150 minutes of planning time per week. In certain situations, teachers in these programs may not have a duty free lunch.

6.2-4 Arrangements for classroom visits made during the prescribed teaching day shall be made by the teacher with the approval of the principal/immediate supervisor. Visits to a teacher’s classroom by persons not
connected with the Polk county school system shall be conducted only with the teacher's prior approval. Such access to public school classrooms shall not be unreasonably denied.

6.2-5 Evaluative visits by School District office personnel shall be made with a two (2) work day notification to the teacher and principal/immediate supervisor, except in case of emergency. Teacher approval is not required for visits by the Education Practices Commission or for special open house visitation planned by the faculty and administration.

6.2-6 Communication systems shall not be used for assessment purposes, nor shall they be used for monitoring classroom activities without the teacher's permission. School wide use of public address systems shall be kept to a minimum during student contact times. Morning and afternoon announcements shall be at predetermined times.

6.2-7 When school is not in session, a teacher may be given access to his/her classroom by arranging such access through the principal.

6.2-8 The principal or immediate supervisor shall have authority to grant a teacher's request for variation from the regular school day schedule when circumstances necessitate such a procedure. When granted, such variation shall not result in loss of pay or accumulated leave days to the teacher.

6.2-9 Teacher Resource Specialist Trainers (TRST) hired before July 1, 2005 who work a 10 or 11 month contract, for 7.75 hours daily with a 30 minute lunch inclusive, will not receive the TRST supplement (APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE) and will be designated as a TRST I. No TRST hired after July 1, 2005 will be eligible for the Level I designation. TRST I may elect to reclassify to the appropriate TRST II or TRST III position by notifying their supervisor in writing.

6.2-10 Teacher Resource Specialist Trainers (TRST) hired after July 1, 2005 or those hired before July 1, 2005 who elect to be reclassified, will be designated as either a Level II TRST, working 10 or 11 month contract, for 8.5 hours daily with a 30 minute lunch inclusive and receiving the TRST supplement (APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE), or, will be designated as a Level III TRST, working a 12 month contract, for 9 hours daily with a 1 hour lunch inclusive and receiving the TRST supplement (APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE) and vacation days as outlined in school board policy.

6.2-11 Lowest-Performing Elementary Schools. Florida Statutes, require that each school district having one or more of the state designated lowest-performing elementary schools based on the state reading assessment have teachers or reading specialists, effective in teaching reading, provide an additional hour of intensive reading instruction each day of the school year at these schools. In order to comply with this mandate, teachers will work an eight (8) hour day with the additional time paid at their daily rate of pay. In the event that a teacher does not wish to work the eight (8) hour day, the principal shall have the authority to grant the request thus allowing the teacher to continue the traditional 7¾ hour day, as long as the additional hour of intensive reading instruction requirement can be met. All contractual rights including the amount of planning time as guaranteed in Article 6.3-1 will be honored.

6.2-12 A reasonable amount of travel time of at least thirty (30) minutes shall be allowed each way during the regular duty day if teachers are required to attend partial day meetings at locations other than their regularly assigned schools. For full day meetings, a reasonable amount of travel time of at least thirty (30) minutes shall be allowed each way.

schedule. Planning time shall be used primarily for lesson/program planning, parent conferences, student conferences, and conferring with other faculty members.

A good faith effort must be made by the principal or designee to ensure equitable scheduling among the faculty for teacher participation and involvement for any accommodation plan meeting (IEP (Individual Education Plan), 504, BIP (Behavior Intervention Plan), etc.) in which the teacher’s planning time and instructional time are disrupted as little as possible.

a) The principal may have up to one (1) of these 45-minute blocks per week designated for Collaborative Planning, Professional Learning Community (PLC), or Faculty Meetings (one (1) per month) or other data gathering/planning intended to increase student achievement.

b) The four (4) 45-minute planning periods for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule shall be used by the teacher solely for self-directed planning time. Recognizing that curriculum changes are inevitable throughout all areas of instruction, team/common planning may occur and is encouraged in order to meet the needs of the students. Teachers are responsible for the proper utilization of the self-directed portion of planning time.

6.3-1 During weeks when there is a full Staff Development Day, or a shortened week, teachers will still have four (4) days of self-directed planning that week.

6.3-2 Elementary school teachers shall have an uninterrupted, continuous block of time of no fewer than forty-five (45) minutes per day of scheduled duty free planning time during the student contact time. Should a continuous forty-five (45) minute block be unfeasible, the principal will schedule a continuous thirty (30) minute block during the student day and an additional fifteen (15) minute continuous block of time during the duty day for planning. Elementary teachers shall stay with their students when the students are participating in regularly scheduled special classes only when there is no certified instructor available.

6.3-3 Middle school teachers shall have an uninterrupted, continuous block of forty-five (45) minutes per day for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule of scheduled duty free planning time during the student contact time. Middle school schedules should include time for teacher planning time for such concepts as team planning, back to back planning periods, parent conferences, student conferences, etc. In middle schools that elect to participate in a seven (7) or eight (8) period day, the normal teaching load will be six (6) out of seven (7) or seven (7) out of eight (8) periods. (Advisor/advisee instruction will count as a teaching period.) Teachers, excluding those teachers assigned to Special Programs, may be asked, but shall not be involuntarily assigned a teaching schedule requiring more than three (3) preparations. To indicate acceptance of a schedule with more than three (3) preparations, the teacher must be presented with the schedule in writing and indicate acceptance by attaching their signature.

6.3-4 High school teachers shall have an uninterrupted, continuous block of forty-five (45) minutes per day for a traditional schedule or an uninterrupted block of at least 90 minutes every other day for a block schedule of duty free planning time during the student contact time. A normal teaching load will be six (6) out of seven (7) periods. Instructional time will be arranged according to the school’s approved schedule and in accordance with Southern Association of Colleges and Schools (SACS) guidelines. Teachers, excluding those teachers assigned to Special Programs, may be asked, but shall not be involuntarily assigned a teaching schedule requiring more than three (3) preparations. To indicate acceptance of a schedule with more than three (3) preparations, the teacher must be presented with the schedule in writing and indicate acceptance by attaching their signature.

6.3-5 Traviss and Ridge Technical College—regular program and academic teachers shall have three hundred (300) minutes per week of planning time.

6.3-6 Adult School (East and West Areas) teachers shall have at least 250 minutes per week of planning time.
6.3-7 Teachers are required to make arrangements with the principal or immediate supervisor prior to leaving school grounds during this planning time. Arrangements shall not be unreasonably difficult so as to deny teachers the ability to leave.

6.3-8 The Board shall structure a schedule for students that dismisses all students 150 minutes early to provide teachers 150 minutes of planning time in addition to the planning time described in Sections 6.3 through 6.3-5. There shall be at least seven (7) of these Student Early Dismissal Days distributed throughout the school year as mutually agreed upon. The days shall be designated six (6) Teacher Self- Directed Planning Days and one (1) Staff Development Day in March with a portion used for state testing training.

6.3-9 Planning Time During Testing: When testing schedules are implemented the administrator will make all efforts to keep the teacher’s normally scheduled day intact when possible. If not possible, teachers who lost planning time due to the testing schedule must still receive an average of 45 minutes each day of self-directed planning for each of the impacted testing weeks. The calculation of the weekly average self-directed planning time includes, but is not limited to, the self-directed planning time plus any minutes when a teacher is not assigned to non-instructional duties during that impacted testing week.

6.4 Non-instructional Duty: Representatives of the school staff shall be involved in developing the non-instructional duty schedule. All teachers shall be notified and volunteers solicited to participate. All volunteers shall be allowed to participate. There shall be, insofar as possible, a fair and equitable distribution of non-instructional duties and responsibilities among all teachers and staff consistent with the law and School Board policies. No teacher will be required to work more than their contracted time. If a problem with planning or distribution of non-instructional duties and responsibilities becomes apparent that cannot be resolved by the staff, it shall be referred to the Safety, Maintenance and Non-Instructional Duties Committee.

6.4-1 Except for regularly assigned duty, teachers shall not be responsible for students before or after regularly scheduled student contact hours.

6.5 Faculty Meetings: The principal shall specify a day for regular faculty meetings. Except in extenuating circumstances, the faculty meeting should be limited to the designated day. If a change is needed, teachers shall be given two (2) days’ notice except in cases of emergency. Such meetings shall have an agenda, and shall be as brief and well planned as practical. A copy of minutes shall be kept and maintained in a designated, accessible place. Faculty meetings shall be conducted during the teacher duty day except in extenuating circumstances. Sales representatives will not be allowed access to the faculty prior to or during the faculty meeting.

6.6 Safe and Healthy Working Environment: The Superintendent shall be responsible for determining unsafe and hazardous conditions under which teachers shall not be required to work. In the event of a bomb threat or fire, teachers shall evacuate the building with their students and shall not be required to return to the building until the building has been determined safe to use according to the provisions of the School Board adopted Polk County Public Schools Disaster and Emergency Preparedness Plan. A copy of this and the school’s safety plan will be included in the school’s Teacher Handbook and will be reviewed annually, before the start of classes, by the faculty and staff.

The Superintendent shall be responsible for determining that teachers are working in safe and non-health threatening environments. To that end the Board shall:

6.6-1 The Board shall provide and require the use of necessary safety equipment to comply with the State Board of Education regulations concerning teachers assigned subject areas where the teacher is subjected to inordinate safety or health hazards. Provide each middle school and high school science teacher a copy of the most recent edition of the Polk County Schools Laboratory Safety Standards and Hygiene Plan.

6.6-2 Maintain heating and air conditioning equipment, where available, to provide a comfortable and healthy environment when school is in session except in emergency situations.

However, a teacher’s planning and preparation may be different based on personal style, professional needs, student needs and experience in the classroom. Plans are to be used as a guide to fulfill the state standards and District’s instructional objectives for student achievement. In such case, an account of the problem or incident will be submitted in writing by the teacher to the principal or his/her designee. The principal or his/her designee shall respond to the referral, in writing, as to the disposition of the case.

10.4-2 In cases when the disruptive effect of the student's behavior is so extreme as to preclude the instructional process, the teacher shall indicate on the referral the need to remove the child temporarily from the classroom until such time as the student, teacher and principal or other appropriate authority resolves the situation.

ARTICLE XIV - PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS

14.0 Glossary

   a) Fully Qualified: Whenever the term “fully qualified” is used in this collective bargaining agreement, it describes the state of being certified, qualified, and/or highly qualified based upon the courses and students the teacher is assigned to teach in the master schedule.

14.2 A Professional Service Contract shall be renewed each year unless the Superintendent, after receiving the recommendations required by §.1012.34 Florida Statute, charges the employee with unsatisfactory performance as determined under the provisions of §.1012.34 Florida Statute.

14.3 An employee who meet the following criteria will be continued from year to year:

   1. Does not have a Florida Department of Education (FDOE) teaching certificate;

   2. Designated as “teacher” pursuant to Article I of the Teacher Collective Bargaining Agreement. For the purposes of this provision, the term “teacher” may include, but not be limited to Network Manager, Nurse, Occupational Therapist, Physical Therapist and instructors in specific subject areas who are considered to be “experts in field,” such as dance, or any other person who by virtue of his or her position of employment is not required to be certified by the FLDOE or the District pursuant to Section §.1012.39 Florida Statutes;

14.3-1 The status of these employees shall continue from year to year unless the District terminates the employee for reasons stated in this Agreement, or reduces the number of employees on a District-wide basis for financial reasons, or until a break in service occurs as a result of resignation, retirement, dismissal, or job abandonment, subject to all of the provisions of the Teacher Collective Bargaining Agreement.

14.4 The Board shall hire for full-time positions only teachers eligible to receive a certificate based on a bachelor's degree or higher; or for non-degreed vocational teachers, a certificate based on the equivalent of a bachelor's degree or higher.

14.5 Summer school, evening adult school and supplemental pay assignments shall be voluntary.

14.5-1 Supplements. Open supplemental positions as shown in APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE must be advertised for five (5) working days.

   Teachers interested in a supplemental position at their school/worksite will notify their principal/director of their interest on the intent to return letter for consideration of future vacancies.

   Vacancies for supplemental positions must be advertised within the school where the vacancy occurs to all employees for five (5) working days.

   If at the end of the five (5) day school/worksite posting, the position is not filled it will be advertised externally on the District’s web page (polkschoolsfl.com) for employees and non-school employees.
All persons who receive supplemental pay will be evaluated yearly concerning their duties in that position. Such evaluation will in no way impact or become a part of the District employee’s regular duty evaluation.

Discipline of District employees related to supplemental positions will follow standard progressive discipline procedures.

Dismissal from an annual supplemental position during the school year or if a sport, during that sport season will be for just cause.

Removal of a District employee from a supplemental position could result in disciplinary action affecting the employee’s regular employment with the District.

14.5-2 Recognizing that the welfare and needs of students have always been the priority in optimizing supplemental programs (APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE), principals or program directors shall determine assignments considering seniority (defined as experience in the supplemental area or related experience), efficiency, and capacity to meet the needs of the program for all qualified applicants.

14.6 Extra Period Assignments are instructional assignments. The Board and Association agree that classroom assignments for extra periods must be made with the welfare and needs of the students as priorities. Realizing that principals are responsible for delegating assignments, these assignments shall be made with preference given to fully qualified teachers. If there are more applicants than positions available, the principal shall determine assignments based on seniority, efficiency, and capacity to meet the needs of the program (this includes the needs of the students.) (As a note of explanation: A 1996 arbitration decision found that seniority carries a greater weight than efficiency or capacity, all things being equal. AAA 33-390-00050-95 Arbitrator W. Lambert)

14.7 Where the student population reflects the need for bilingual teachers, the Superintendent shall attempt to find and recommend, and the Board shall employ such teachers who are bilingual and trained to assist students in English and the primary language spoken by the student provided the teacher is fully qualified for the position.

14.8 All teachers shall be given written notice of their tentative teaching assignment for the first semester of the following year at least two weeks prior to the end of the school year. The tentative assignment should be stated based on the school’s proposed master schedule for the upcoming school year identifying the course(s) and grade level. A teacher may not be assigned into an out-of-field assignment unless the teacher voluntarily signs an agreement for the same. A principal may change the tentative teaching assignment. If there is a change in the tentative teaching assignment, the teacher shall be notified as soon as possible. Teachers shall be given written notice of a change in assignment for the second semester no later than the last student contact day of the first semester, except in cases of emergency.

14.9 In order to maintain employment, instructional staff required to hold teacher certification issued by the Florida Bureau of Educator Certification or the District as a term of employment will be required to be certified, qualified and highly qualified (fully qualified) to teach core content courses or certified and qualified to teach non-core content courses.

14.9-1 Teachers new to the system who are assigned to teach core content courses will be given ninety (90) days from their date of hire or until April 1st to document fully qualified status as prescribed by the District Conditional Offer of Employment in order to be considered for reappointment and failure to provide the necessary documentation shall be grounds for termination.

14.9-2 Teachers not new to the system may not be assigned to courses which will cause the teacher not to be fully qualified unless the teacher volunteers for the assignment and the principal has pre-approval from the Director of Recruitment and Educator Quality. The duration of such assignments will be limited to one year. In order for the teacher to continue in the assignment beyond the year, he/she must pass the appropriate Subject Area Examination and add the subject area to his/her certificate. Teachers who are assigned according to the aforementioned provision must pass at least one Subject Area Examination and add the area to their certificate each
year until all state and federal required area are added. The teacher will have until April 1st of each year to satisfy this requirement in order to be considered for reappointment for the following school year in that position. The District will reimbursement for test registration fees upon successfully passing and for the addition to the educator’s provide teaching certificate (Title II funds).

14.9-3 In special and unusual circumstances, the Associate Superintendent for Human Resource Services may grant extensions to these deadlines.

14.9-4 Any teacher who accepts an assignment for which he/she is not fully qualified must sign a written notice-acknowledgement (Agreement to Earn) that outlines all requirements to remain in that assignment and the notice-acknowledgement (Agreement to Earn) shall include the possible consequences of the teacher’s failure to timely meet those requirements.

14.9-5 A teacher, voluntarily assigned for one (1) year or less into an authorized out-of-field assignment will be required to earn six (6) semester hours or 120 in-service points toward certification in the out-of-field assignment during the twelve months following the date of initial assignment. Failure to do so would make the teacher ineligible to be placed in an out-of-field assignment in the future.

14.9-6 Teachers who volunteer to teach in an authorized out-of-field assignment must remain qualified as prescribed by the written notice-acknowledgement (Agreement to Earn) and/or English for Speakers of Other Languages (ESOL) Plan of Study. In special and unusual circumstances, the Associate Superintendent for Human Resource Services may grant extensions to these deadlines. Failure to provide the necessary compliance documentation in a timely manner may result in the teacher’s displacement. Displacement of Annual Contract teachers who fail to provide the necessary compliance documentation in a timely manner may have their employment contract non-renewed following the provisions of Florida Statute or, could be recommended for termination for failure to comply with the terms of their specific requirements.

14.9-7 Teachers who are currently employed by the School Board and who obtain additional certification(s) will be given first consideration for placement prior to the hiring of new employees.

14.9-8 A Probationary Contract teacher who volunteers to teach an authorized out-of-field assignment will not be placed on the Displaced list nor will his/her Probationary Contract be renewed if he/she fails to provide the necessary documentation to demonstrate compliance with his/her notice-acknowledgement (Agreement to Earn) and/or ESOL Plan of Study.

14.9-9 The ESOL Plan of Study may be frozen and/or adjusted for a teacher in the event of a break in service, or a change in assignment which places the teacher in a category for which the certification/training requirement is less stringent. It is the teacher’s responsibility to notify the ESOL office of a qualifying event in order for the action to be initiated.

14.10 A copy of all local school and District policies and regulations shall be available for each teacher new to Polk County Public Schools.

14.10-1 The Professional Education Competence (PEC) Program shall be maintained as adopted by the School Board according to §1.1012.56 Florida Statute.

14.10-2 A teacher participating in the Professional Education Competence (PEC) Program shall be a member of the bargaining unit with the same rights as any other first year Probationary Contract teacher, and shall receive full pay, according to the District’s adopted salary schedule.

14.10-3 Evaluation/assessment for the beginning teacher shall be completed and records maintained in the District personnel file. The Professional Education Competence (PEC) required documentation shall be maintained in the online platform, “Learning Zone. The portfolio and its components are maintained by the school. Upon completion of the program, the beginning teacher will be sent an email indicating s/he has successfully completed the Professional Education Competence (PEC) requirement.
14.11 In the Professional Education Competence (PEC) Program, service as a mentor shall be voluntary.

14.11-1 The mentoring teachers’ qualifications and responsibilities are to be clearly enumerated. Mentoring teachers shall be expected to provide on-going support to assigned mentees over the course of the year and assist with specific requests by a mentee. Limited examples of on-going support may include assisting with identifying and following school and District policies, obtaining necessary material and equipment to complete assignments, and assisting with tracking various timelines to successfully meet required deadlines. Limited examples of specific requests may include meetings to complete the following tools: Planning Conversation Guide, Analyzing Student Learning, Post-observation Co-Analysis, and the Collaborative Assessment Log. Additionally, said mentoring teachers shall not be responsible for evaluation/assessment of any teacher.

14.11-2 Mentoring teachers must document completion of enumerated duties and professional development qualifications prior to receiving payment. The supplemental amount is listed in APPENDIX C – SUPPLEMENTAL SALARY SCHEDULE.

14.11-3 Mentoring teachers may mentor up to six (6) new teachers each school year. Mentor teachers will receive a supplement for each new teacher they are assigned to mentor.

14.11-4 All first year probationary contract teachers in the PEC Program will be assigned a mentor. Additional mentoring teachers may be assigned by the administration to teachers deemed to be in need of assistance. Teachers on a Professional Development Plan (PDP) will be assigned a mentor as part of their professional team.

14.11-5 All teachers receiving mentoring services shall be anonymously surveyed annually. Such survey shall be for the purpose of measuring the effectiveness of the mentoring program. No information will be gathered that would identify either the mentee or the mentor.

14.12 Teacher Recertification – In order to assist teachers with state recertification requirements, the District offers many professional development opportunities that are free of charge. It is the responsibility of the teacher to register and attend an adequate number of trainings in a timely manner to have sufficient inservice points for recertification.

14.12-1 Employees may access their inservice record of points and register for classes through the online District Professional Development System Scheduler.

14.12-2 All professional development must include: Planning, Delivery, Follow-Up, and Evaluation on the Faculty level (individual), School Level, and District Level according to the Florida Professional Development Evaluation Protocol, §1012.98 Florida Statute.

14.12-3 The Individual Professional Growth Plan (IPGP) is directly related to specific student performance data for those areas to which the teacher is assigned.

14.12-4 According to §1012.98 Florida Statute points may only be awarded upon evidence of follow-up activity completion.
ARTICLE XV - INSTRUCTIONAL PERSONNEL EVALUATION

PREAMBLE

The parties acknowledge that the evaluation procedures for Instructional Personnel covered by this agreement that follow have been agreed upon by the parties hereto with reluctance, and that such agreement is made because of the requirements and mandates of applicable Florida law. Florida law requires the Instructional Personnel evaluation system be used as a requisite component to determine the wages, hours, and working conditions for Instructional Personnel and is therefore a mandatory subject of bargaining. Further, the parties agree that should at any time the Florida law applicable to such evaluation procedures be changed by the Florida Legislature or overturned by a court decision to which the Polk County School Board is subject, then in that event the parties agree to promptly renew collective bargaining negotiations for the purpose of modifying the procedures set forth herein and no human capital decisions will be made using this system until a new agreement is ratified through collective bargaining.

DEFINITIONS:

Approved Observation Instrument: Only the approved observation instrument in the Instructional Evaluation System may be used to document the observation portion of a classroom teacher’s evaluation which is based on multiple observations (walkthrough observations, informal observations, and formal observations) undertaken by the classroom teacher’s supervisor.

Category I Teachers - Any classroom teacher that is new to the profession or new to the District regardless of the years of teaching experience and Florida Professional Educator Certification credentials, or any teacher that holds a Temporary Teaching Certificate.

Category II Teachers - Teachers with Florida Professional Educator Certification who have more than one year of teaching experience in the District.

Classroom Teacher: A teacher who provides direct instruction to students. This definition exists for the purposes of Article XV only and does not affect other Articles in this contract.

Essential Performance Criteria (EPC): Performance indicators under each Domain.

Evaluator: School Principal/Supervisor, Assistant Principal, and/or Superintendent’s administrative designee trained and certified to conduct calibrated observations. Training and certification requirements are outlined in the evaluation manual.

Instructional Assistance Conference (IAC): An informal written plan of improvement. The process is intended to facilitate a professional conversation between an administrator and teacher to identify specific areas of concern coupled with suggested actions to be taken to assist the teacher with the improvement of professional practice. The IAC is not disciplinary in nature.

Instructional Evaluation System (Evaluation manual): The District’s Instructional Personnel evaluation manual, which describes the evaluation systems to be implemented. Pursuant to Florida law, changes to the Evaluation manual that constitute a change in a mandatory subject of bargaining must be collectively bargained unless otherwise waived. The Union does not waive any collective bargaining rights with respect to evaluation.

Instructional Evaluation System: A collaborative system between teachers and administrators that focuses on increasing student learning by improving the quality of instructional services. The overall term for the processes applied for the performance evaluation of an instructional employee.

Instructional Personnel: For the purpose of this Article and the evaluation manual, Instructional Personnel shall include all instructional employees covered by this agreement as defined in Article I.
Non-Classroom Instructional Personnel: An instructional employee as defined in Article I who does not provide direct instruction to students.

Professional Development Plan (PDP): A formal written plan of improvement.

Reliability: The degree to which an assessment produces stable and consistent results.

State Assessment: Any standardized state determined assessment given to students for evaluative purposes for a given subject.

Teacher Evaluation Advisory Committee (TEAC): A committee consisting of 20 members (10 appointed by the Superintendent and 10 appointed by the PEA President). The District’s Chief Negotiator and PEA President serve as ex-officio members of the committee. The function of the committee is to serve as advisory in nature to the District and Association bargaining teams.

Test Validity: A determination of whether a test is satisfactory in evaluating the breadth and depth of the knowledge and skills students have developed with respect to the course standards.

15.1 The Superintendent shall establish procedures for evaluating the performance of duties and responsibilities of all Instructional Personnel. The evaluation forms and procedures to be used will comply with all requirements as set forth in §.1012.34, Florida Statutes. The evaluation process will comply with the Collective Bargaining Agreement and follow the evaluation manual. Only the materials contained in the evaluation manual may be used for Instructional Personnel evaluation. No one may develop additional supplemental materials for the evaluation of Instructional Personnel without approval through the bargaining process.

15.1-1 As the Instructional Personnel evaluation system has undergone substantial change, the parties recognize that continued adjustments may need to be made as data becomes available. The parties commit to returning to the bargaining table to address concerns from either party. It is the intent of the parties to monitor this Instructional Personnel evaluation system to ensure it is a fair, valid, and reliable evaluation system and to make changes, as needed, to achieve this goal.

15.1-2 Student performance data will be collected for each instructional employee as in the evaluation manual, Student Achievement Objectives (SAO) (see 15.17) or State VAM as per state statute will be used to determine the instructional employee’s student performance rating. Starting in school year 2018-2019, SAOs are required for all personnel without a State VAM, and optional for all VAM teachers.

15.1-3 We agree to use the Florida Department of Education’s Roster Verification Tool (RVT) to enable Instructional Personnel to review their rosters of assigned students for accuracy. FLDOE provides two RVT review periods; one following Survey 2 FTE in the Fall and the other following Survey 3 FTE in the Spring. During these RVT periods, Instructional Personnel can recommend additions or deletions from the roster. Teachers with a state calculated VAM that have opted to use an SAO for student learning data will still be required to complete RVT to ensure accurate DOE records. Once Instructional Personnel complete the review and all corrections have been
identified, the roster will be submitted to the District for processing. The district shall submit a teacher level Survey 2 and Survey 3 match using a process determined by DOE and submit such data for the calculation of State VAM rating.

15.1-4 SAO Student Learning Data - For teachers of adult students, the data source will include only students assigned to the teacher for 60 or more course hours. SAO teachers identify their students during the planning, mid-year review and final summative SAO review. Students that have absences that meet the criteria in the attendance determinant must have their SAO targets reviewed and possibly adjusted at the mid-year review.

15.1-5 Instructional Personnel shall receive an overall rating calculated as described in the evaluation manual One-third (1/3) of the rating shall be based upon student performance data listed on Appendix A - Florida VAM Course List, Student Achievement Objectives. The remainder of the overall rating shall be as described in the manual for various positions; Category A: Instructional Personnel with a State VAM rating, or Category B: Instructional Personnel. Non-classroom instructional employees are also participants in establishing SAO to develop the student learning data portion of their evaluation. Non-Classroom Instructional Personnel will be assessed using the appropriate evaluation/procedure forms.

15.2 Instructional Personnel will be evaluated annually according to the procedures in the evaluation manual. This evaluation will be completed by a designated and certified evaluator. Evaluation data will not be used for making Human Capital decisions until all evaluations are completed, including any appeals; with the understanding Probationary Contract employees may be released at any time as per § 1012.335(1)(e), Florida Statutes.

15.2-1 The evaluator shall be trained in the evaluation tool and shall be certified. The evaluator may be either the principal/immediate supervisor or an assistant principal designated by the principal. If an instructional employee so requests, he/she shall be evaluated by his/her principal. Should no administrator meet the criteria or in rare and unusual circumstances, the Superintendent shall designate a certified administrative evaluator who meets the criteria to perform the required observations and evaluations. Evaluative visits by the Superintendent’s designee shall be made with prior notification of two (2) work days, to the instructional employee and principal/immediate supervisor, prior to any evaluative activity.

15.2-2 Any concern/deficiency noted by an administrator must be shared with the instructional employee in a timely manner. Electronically finalizing an observation or sending a request for a time to hold a professional conversation within five (5) contract days is timely. All observable EPC (Essential Performance Criteria) ratings will be documented throughout the year on the forms provided, based on walkthrough observations, informal observations, and formal observations. If observable or non-observable performance deficiencies are noted, the evaluator must provide the instructional employee with specific related feedback. The principal or approved designee must not electronically finalize another observation until five (5) working days have passed since the last finalized observation. Board amended 5.12.20

15.2-3 To promote prompt, professional conversation, there is an Instructional Assistance Conference form, and guidelines for the school administration to use in conducting Instructional Assistance Conferences (IAC) with Instructional Personnel. This Conference may be used to bring focus to the instructional changes desired without requiring an instructional employee’s evaluation to be marked down or the development of a formal written plan of improvement. The Instructional Assistance Conference does not replace the formal written plan of improvement and is not disciplinary in nature. It is intended to facilitate professional conversations.

15.2-4 Videotaping shall not be used to record data for any instructional employee observation or evaluation. Videotaping, with the expressed written permission of the instructional employee, may be used for non-evaluative purposes, such as mentoring or for certification purposes. This section does not prohibit video or audio recording of students when required by any State or District student performance exams involving a performance component.
15.2-5 It shall be considered a gross procedural error if an instructional employee receives an overall rating of Needs Improvement or Unsatisfactory and has not had the opportunity to complete an appropriate Instructional Assistance Conference (IAC) process or a Professional Development Plan (PDP).

15.3 The process of evaluating Instructional Personnel will be ongoing during the school year. Instructional Personnel will be fully informed of the criteria and procedures associated with the evaluation process as outlined in the evaluation manual. All procedures and timelines, as outlined in the evaluation manual, shall be followed. Instructional Personnel will be provided electronic access to the evaluation manual within their first 15 work days. All Instructional Personnel new to the evaluation process shall be trained regarding the Instructional Personnel Evaluation processes and requirements within the first ten (10) contract days of employment.

15.4 An electronic report of each evaluative observation conducted by the evaluator, including walkthrough observations, informal observations, and formal observations will be available within five (5) contract days. The formal observation will include a pre-conference and a post conference for all Category I Instructional Personnel, and a post-conference for all Category II Instructional Personnel. A Pre-Conference will be held at the request of a Category II instructional employee.

15.5 Required Instructional Personnel Evaluation Conferences: Mileage to the former school/worksite shall be reimbursed if teachers are required to travel to receive their final evaluation.

15.5-1 A Category I mid-year instructional employee conference is required for all Category I instructional employees. Each Category I instructional employee shall be given an overall mid-year evaluation rating based upon the EPCs and student learning data according to the evaluation manual. There shall be a full and complete discussion of each EPC rating with specific recommendations for any EPC rated as Needs Improvement/Developing or Unsatisfactory. At the completion of the conference the appropriate form will be signed by the administrator and the instructional employee documenting the administrative ratings.

15.5-2 Final evaluations with an SAO shall occur prior to the end of the school year and shall include the administration’s final ratings with supporting data for both observable and non-observable EPCs, and the final rating for completing the employee’s self-evaluation and finalizing the SAO. At the completion of the conference the appropriate form will be signed by the administrator and the instructional employee documenting the final administrative ratings.

15.5-3 Final evaluations with a VAM shall occur within a specified period of time near the beginning of the school year as mutually determined annually by the District and PEA, pending availability of State VAM. This timeline will take into account the report date to FLDOE. At the completion of the conference the appropriate form will be signed by the administrator and the employee documenting the overall rating, State VAM, and any adjustments agreed the prior year’s EPC Administrative Ratings.

15.6 In the event an instructional employee is not rated as Effective or Highly Effective in one or more of the EPCs, the evaluator will provide a recommendation for improvement based on a specific deficiency as defined by the appropriate EPC rating rubric.

15.7 If performance concerns exist, the following steps shall be taken:

1. The evaluator shall hold a professional conversation with the instructional employee to identify specific areas of concern coupled with suggested actions to be taken to assist the instructional employee with the improvement of professional practice. Monitoring will be ongoing.
2. If the instructional employee continues to perform below the Effective level in an identified EPC, the evaluator shall meet with the instructional employee to discuss the concerns and develop a plan, such as an IAC or PDP, for improvement. Refer to the Instructional Evaluation System manual.
15.7-1 Outcome of the Final Evaluation

a. All Category I and Category II Annual Contract instructional employees who receive an overall Highly Effective or Effective rating on their most current overall evaluation will be renewed if the instructional employee has not had Progressive Discipline beyond a Step 1 Written Confirmation of a Verbal Warning for the current school year.

b. Professional Service Contract Instructional Personnel: The provisions in §1012.34(4), Florida Statutes – Notification of Unsatisfactory Performance will be followed.

c. Category II Instructional Personnel will follow §1012.34(4), Florida Statutes concerning overall Unsatisfactory performance.

d. Under the requirements of §1012.335, Florida Statutes, an Annual Contract will not be awarded if an instructional employee receives two consecutive overall annual performance evaluation ratings of Unsatisfactory, two annual overall performance evaluation ratings of Unsatisfactory within a 3-year period, or three consecutive overall annual performance evaluation ratings of Needs Improvement or a combination of overall Needs Improvement and Unsatisfactory.

15.8 The immediate supervisor of the instructional employee will forward the evaluation report to appropriate personnel.

15.9 Polk Virtual School, Itinerant and Hospital/Homebound – All procedures as outlined in the evaluation manual, will apply to the instructional employees listed above with the following exceptions:

15.9-1 There will NOT be a formal observation using the approved observation instrument to gather evaluation data related to appropriate Domain and Essential Performance Criteria (EPC). Rather, in lieu of the observation, the teachers will provide evidence to the supervisor related to the following expectations:

- Communication between teacher and student to equal no less than one correspondence per week. Communication may be initiated by either the teacher or the student.
- Representative samples of student work per term, with evidence of instructor feedback.
- Periodic evaluations between teacher and students as defined and documented through timely student progress checks.
- Phone log of teacher/student interaction as applicable.

Evidence may be provided in the format of checklists, log entries, student portfolio, etc.

While all EPCs in the Instructional Personnel Evaluation System are applicable, some of the specific sample indicators of performance may vary in nature from those identified in the evaluation manual. The supervisor and instructional employee will review the sample indicators and determine their applicability to the specific role of the instructional employee in their specific teaching environment.

15.10 Evaluation Appeal Process – Instructional employees may appeal using an expedited appeal procedure limited to 2 steps: Step 1 - Final Evaluation Appeal and Step 2 - Arbitration. The Arbitration step will be an expedited process with no submission of briefs and the arbitrator will issue a written decision. Expedited Arbitration will include setting a panel of mutually agreed upon and available arbitrators to hear multiple cases in a day. Although we are using an expedited arbitration process, each side retains the right to use all remedies available to them under state and federal law. If a serious procedural violations results in the removal of an annual evaluation, the evaluation rating will default to Not Evaluated and the employee will be considered to have an overall Effective rating for the purpose of all Human Capital and salary decisions.
15.10-1 While the Final Evaluation may be appealed, Final Evaluations where only overall ratings of Needs Improvement or Unsatisfactory or when Performance Pay is implemented, may be submitted for arbitration. Overall ratings that are Developing (in the first three years of employment) or Effective are only eligible to be processed through the appeal of the Final Evaluation (Step 1) and are not eligible for Arbitration (Step 2). An instructional employee may appeal any of the individual ratings governed by an EPC rubric Domain. Such appeal shall be based upon a procedural violation of the process, and/or a misinterpretation of a system rubric. If a rating is successfully appealed, the rating shall be corrected, and the evaluation recalculated.

a. Step 1

(1) **Final Evaluation Appeal with an SAO** – No later than the 175th day of student contact, the instructional employee must file using the jointly approved method communicated to all employees with their principal and copy the principal’s supervisor, PEA, and the Senior Director of the Human Resource Services Division that a concern exists and they choose to appeal their Final Evaluation results. The parties will meet to discuss the concerns no later than 5 work days (day 185) after the last student contact day. A decision will be issued in writing within three (3) work days. The District and PEA may adjust the above timelines by mutual agreement if necessary.

(2) **Final Evaluation Appeal with a VAM** – No later than the 175th day of student contact, the instructional employee must file using the jointly approved method communicated to all employees with their principal and copy the principal’s supervisor, PEA, and the Senior Director of the Human Resource Services Division that a concern exists and they choose to appeal their EPC results. The parties will meet to discuss the concerns no later than five (5) work days (day 185) after the last student contact day. A decision will be issued in writing within three (3) work days. The District and PEA may adjust the above timelines by mutual agreement if necessary. VAM ratings are calculated by the state and are not subject to recalculations. Final Evaluations will be completed prior to the FLDOE report date.

b. Step 2

(1) **Expedited Arbitration** – The District’s and PEA’s intent is to mutually pre-select a panel of arbitrators and contact them to establish a potential calendar of arbitration dates into which employees with appeals may be scheduled. Further, the intent is to keep individual hearings to approximately four (4) hours maximum with the arbitrator requested to submit a decision within two (2) work days. Expedited Arbitration will take place as timely as possible. Dates will be mutually agreed upon by the District and PEA.

Miscellaneous Provisions:

1. The Board and the appellant shall not be permitted to assert in such arbitration proceeding, any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.
2. The Board and the Association shall share equally the fees and expenses of the arbitrator when the appeal is processed by the Association. Neither the bargaining agent nor the Board shall be responsible for the cost of an arbitration by a member of the bargaining unit when the appeal is not processed by the Association.
3. No reprisals of any kind shall be taken against any party participating in the appeal procedure.
4. Notwithstanding the expiration of this agreement, any appeal arising while the agreement was
in effect may be processed through the appeal procedure until resolution.

5. Any teacher for whom an appeal is sustained shall be reimbursed in accordance with the award of the arbitrator.

6. Each party shall bear the full cost of its representation at all steps of the appeal procedure.

7. A teacher shall have the right to have an Association member representative present when an appeal is being discussed. In a case where no Association member representative is present to attend the informal procedure, the discussion may be postponed and the Association staff will have the right to appoint an Association member to attend the informal session.

15.10-2 If for reasons as follows, but not limited to, the number of appeals is larger than the number of available times to hold appeals or the data is delayed from FLDOE, the District and PEA shall meet to discuss an extension of the timeline.

15.11 Teacher Evaluation Advisory Committee (TEAC) – The TEAC is created to develop, review, or change evaluation form(s) called for in Article XV and shall be advisory in nature to the District and Association bargaining teams. The committee shall consist of 20 members (10 appointed by the Superintendent and 10 appointed by the PEA president). The district’s negotiator and PEA president serve as ex-officio members of the committee. The committee shall include at a minimum, one representative from elementary, middle school, high school, and alternative education. The District and PEA bargaining teams will consider recommendations from the Teacher Evaluation Advisory Committee (TEAC) when determining the appropriate evaluation/procedure forms for a new job position or changes for an existing job position.

15.12 Teacher Evaluation Advisory Committee (TEAC) Process – The committee will meet, once in the first semester and once in the second semester. Additional meetings may be scheduled by mutual agreement of the parties. The TEAC will make recommendations to the Superintendent or as determined through collective bargaining processes and will make recommendations for system changes for the upcoming year by July 1 of each year. Any recommendations submitted after July 1 will be for the following school year. TEAC may make recommendations after July 1 for the current school year if changes to the statutory requirements occur after July 1. Every attempt will be made to meet the statutory guidelines in §1012.34(4), Florida Statutes, including the provision to fully inform Instructional Personnel of the criteria, data sources, methodologies, and procedures associated with the evaluation process before the evaluation takes place.

15.13 Certain adjustments in system processes may need to be made due to unknown factors related to the stability and reliability of student data. The Teacher Evaluation Advisory Committee may make related recommendations pertaining to system processes if that occurs. Any changes in the system processes during any year will be submitted to the Superintendent for review and approval, as appropriate.

15.14 An Improvement Model for classroom teacher observations will consist of three observation processes: Walkthroughs, Informal and Formal. The ratings from each observation will be combined and averaged to provide the final rating for each observed EPC. The final EPC points calculated may not be decreased (rounded down) and may only be increased (rounded up) by the evaluator if a rationale supported by evidence is documented in Journey.

15.14-2 Additional informal or formal observations may occur only if the classroom teacher has had the opportunity to correct performance concerns as documented in an IAC or PDP. Additional informal and formal observations shall be scheduled as a part of the PDP process.

15.14-3 Non-classroom Instructional Personnel will follow the appropriate procedures outlined in the evaluation manual. All non-classroom Instructional Personnel will be evaluated based on the Final Overall Rating Table which is included in the evaluation manual.

15.14-4 Some instructional employees may be submitted to FLDOE as Not Evaluated due to unforeseen circumstances. Any instructional employee submitted to FLDOE as either Not Evaluated or Developing will be treated as Effective for all Human Capital and salary decisions.

15.15 All Instructional Personnel teaching courses without a VAM score must establish an SAO by following the process outlined in the evaluation manual.

15.15-1 Training and supporting resources which provide consistency in the implementation of SAOs will be developed by a joint committee appointed by the Superintendent and the PEA President. The committee will use the framework from the Center for Assessment as a foundation. The committee will identify the process to prepare trainers and deliver comprehensive training to all participants using a variety of methods. Participants on the committee may vary depending on the specific assigned tasks. Training must be ready for presentation prior
An instructional employee without a state calculated VAM must establish an SAO for the student learning data portion of their evaluation. Teachers with a state calculated VAM may elect to complete an SAO and use that data as their student learning data in their evaluation.

An employee establishing an SAO must complete the forms and follow the process in the evaluation manual. An employee may work collaboratively on their SAO with other employees but may not be required to do so. Journey is open on the first contract day to begin developing the SAO. The completed SAO template must be initially submitted to the principal/administrator no later than the fifth (5th) student day following Data Day as established in the official Polk County Public School District Calendar.

All SAOs must be based upon core/main course, or instructional standards for the selected student group and must follow the SMART protocol (Specific, Measurable, Appropriate, Realistic, and Time Limited) as appropriate to the course, grade level or position/assignment of the employee.

Baseline student data must be established by the employee during the first nine (9) week period as established in the official Polk County Public School District Calendar. It may be based upon data collected at any time prior to the end of the first nine (9) week period as outlined in the approved SAO goal.

The principal/administrator shall review the SAO using the Rubric for Rating the Quality of Student Achievement Objectives in the evaluation manual (the Rubric) within the initial approval submission window and provide feedback to the employee. Any SAO evaluated as Quality Needs Improvement or Insufficient Quality is not approved until changes are made to meet the requirements as outlined by the Rubric. Employees and principals/administrators are encouraged to collaborate in this process. If a dispute cannot be resolved, the employee may appeal their concern to the Regional Assistant Superintendent for resolution. To be implemented, the SAO must be approved no later than the end of the first nine (9) week period as established in the official Polk County Public School District Calendar. Both the employee and the principal/administrator shall sign and maintain a copy of the approved SAO goal.

If a principal/administrator does not respond within the timeline in 15.17-5 above, the submitted SAO shall be considered approved.

Instructional employees with a state calculated VAM, may abandon the SAO process without detriment at any time prior to approval as referenced in 15.17-5. They will then revert to the State VAM for the student learning data for that year.

A mid-year meeting to review the SAO progress will be held during the first fifteen (15) student contact days of the second semester. This meeting is required for all Category I teachers and only necessary for Category II teachers if they wish to adjust the expected targets of the SAO. This meeting may occur for Category II classroom teachers along with the review of their Informal Observation and for Category I instructional employees at the time of their post-conference for their first Formal Observation. The instructional employee and the principal/administrator shall review using the mid-year Reflection Questions in the evaluation manual – Student Achievement Outcomes and make adjustments as needed to increase the likelihood of a positive goal outcome.

Should a Category II employee or principal/administrator be concerned that the employee’s SAO targets are not attainable, therefore making the expected outcomes unrealistic, a meeting will be held to review and assess the available data. This review must occur and any adjustments to the agreed upon targets made within the first fifteen student contact days of the second semester. The principal/administrator must approve or deny the requested target adjustments. Should a dispute arise over an appropriate adjustment, the employee may appeal the principal’s/administrator’s decision, within five (5) student contact days, to the Regional Assistant Superintendent.
15.15-10 Semester courses may set an SAO within fifteen (15) student contact days of the second semester only. The timelines for semester courses will be set and distributed by December 1, or when the timelines are announced and the SAO window is opened to employees.

15.15-11 The four (4) level Instructional Personnel Rating Rubric in the evaluation manual shall be used to determine whether the employee is rated *Highly Effective, Effective, Needs Improvement/Developing,* or *Unsatisfactory* for their goal. Employees may group students based upon student performance and vary the outcome for the established groups. All students should have a learning outcome by group, but an individual outcome for each student is not expected or required. The employee’s Student Performance rating shall be determined by the number of students meeting or exceeding the goal as established by the Rating Rubric.

15.16 Instructional employees completing the self-evaluation will receive the maximum points regardless of how they rate themselves. Instructional employees not completing the self-evaluation will receive the lowest points.

The notice must describe such unsatisfactory performance and include the notice of the procedural requirements as listed in § 1012.34 of Florida Statutes.

16.4-2 Upon delivery of a notice of unsatisfactory performance, the evaluator must confer with the employee, make recommendations with respect to specific areas of unsatisfactory performance in writing, and provide assistance in helping to correct deficiencies within a prescribed period of time.

ARTICLE XVII - TRANSFERS AND CHANGES IN ASSIGNMENT

17.1 A transfer is a change in teaching position from one work location to another, excluding countywide assignments. A transfer is also any change which would cause a teacher to teach any part of the day at a different school from his/her initial school assignment, excluding countywide assignments. A change of assignment is from one subject area or department to another, or from one grade to another, within the same work location.

17.1-1 A teacher who is required to change classrooms will have assistance moving boxes and furniture and will be provided appropriate equipment to do the job safely.

17.1-2 If a teacher is given a change of assignment or classroom during the school year, the teacher will be provided one (1) student contact day without students or assignments for the purpose of moving classroom and personal items from one classroom to another and/or planning and preparing materials for students in preparation for student instruction or other assigned duties.

17.1-3 If a teacher is transferred during the school year, the teacher will be provided two (2) student contact days without students or assignments for the purpose of moving professional and personal items from one school to another, setting up a classroom, and preparing materials.

17.2 Principals shall keep their faculties informed as to vacant positions in their schools by posting such vacancies at the teacher sign-in location. Teachers who would like to change from grade and/or subject assignment within a
school shall file a written statement of such desire with the principal. The principal shall consider all such requests and make a decision as to the change based on the teacher's qualification, certification, and educational program of the school. The principal will give written notification of his/her decision to each teacher who has filed a written request. The change in assignment will be subject to approval by the District Certification Compliance Department.

17.3 All changes in assignment should be voluntary; however, the principal may make changes in teacher assignments at his/her own discretion when he/she deems it to be in the best interest of students, faculty, and educational program of the school. Such assignment changes may only be to areas for which the teacher is fully qualified and may not cause a teacher to work out-of-field. Principals shall strive to minimize the number of core academic subject area assignments. When such changes are made the reason(s) for the assignment shall be given in writing, if requested. Providing a reason will in no way limit the principal's discretion in making such assignments. Such reassignments shall not be used as a punitive measure. Any teacher being involuntarily reassigned shall not be deprived of his/her contractual salary for the remainder of the contract year.

17.3-1 Should there be a reduction/loss in funding for a grant program, the teacher in such a grant funded position will be able to remain at the school/worksite at which he/she is assigned in a position for which he/she is fully qualified. If there are no vacant positions available, the school shall follow the procedure for “Loss of Units” in 17.6-1. This process shall retain the grant funded teacher as a part of the staff for any position for which the teacher is fully qualified.

17.4 Request for Transfer for the Following School Year: A request for transfer shall be provided to the Human Resource Services Division via the Staff Portal any time after the first day of the second semester through the last day of the current regular school year. These requests are for the following school year. Such transfer requests shall remain active until 14 calendar days before the first teacher contract day. Transfers shall not occur after the beginning of the school year. An employee seeking a transfer must complete the online application (Applicant Registration System) and apply for posted vacancies. Any teacher who received an end of the year overall evaluation of Needs Improvement for the current and/or previous school year is not eligible for transfer. Also, any teacher who is under a Performance Development Plan is ineligible for transfer. A transfer will not be considered unless the teacher has taught in the District for one school year and is fully qualified and certified for the vacancy for which they are applying. It is the responsibility of the teacher to notify the principals where vacancies exist in order to be considered for the vacancy. The transfer will be subject to approval by the District Certification Compliance Department. All transfers shall be approved and signed by the receiving principal, with simultaneous electronic copies to the releasing principal (or immediate supervisor) and the Human Resource Services office. The receiving principal, when making his/her decision, shall consider each teacher requesting transfer as to his/her experience, general background and preparation, competence and commuting distance. The transfer of the teacher will be subject to Board approval.

17.4-1 Hardship Transfer Requests during School Year: Teachers that have completed their probationary period are allowed to submit a transfer request during the school year for purposes of “hardship”. A “hardship” transfer request is defined as:

a. the teacher has completed at least one (1) year of service with the District; and either
b. travels 20 miles or more one-way, by the most direct route within Polk County limits to the assigned work location; or
c. has a serious medical and/or personal problem which can be substantiated by a physician or acceptable written explanations as determined by the Superintendent. Employees meeting the criterion in this section, may apply for a medical/personal problem transfer at any time and may be transferred after the start of the school year for students.

Hardship transfers will be allowed during the school year only if the above conditions are met and must be approved by the Superintendent or the Associate Superintendent of Human Resource Services. A transfer will not be considered unless the teacher is fully qualified and certified for the vacancy for which they are applying. All
transfers shall be approved and signed by the receiving and releasing principals, with simultaneous electronic copies sent to the releasing principal (or immediate supervisor) and the Human Resource Services Division. The releasing principal must have a fully qualified and certified teacher to fill the vacancy before the transfer is approved. The receiving principal, when making his/her decision, shall consider each teacher requesting transfer as to his/her experience, general background and preparation, competence and commuting distance.

A teacher who qualifies for the "hardship" transfer will be guaranteed an interview for a District-determined vacancy once per hardship transfer during the current school year in which the hardship request was approved. The request to be considered for an interview must be emailed to the Senior Director of Human Resource Services with the position number no less than five (5) days before the advertised vacancy is set to close.

17.4-2 Request for Transfer Between School Years: It is the responsibility of the teacher to notify the principals where vacancies exist in order to be considered for the vacancy. The transfer will be subject to approval by the District Certification Compliance Department. A principal will only be notified of an employee’s intent to transfer ten (10) workdays after the teacher has filed the intent to transfer form.

17.4-3 Probationary Contract teachers shall not be allowed to seek a transfer until the end of the school year in which his/her probationary period is completed.

17.5 A current list of vacant positions, including Polk Virtual School, will be maintained for all teachers to view on the District’s website (polkschoolsfl.com). All vacancies will be advertised for a minimum of five workdays, except for the ten (10) calendar days prior to the first work day in order to meet the mandate for fully staffed schools. The website will indicate the subject area or grade level of the vacancy, the date the vacancy will occur, and the worksite at which the vacancy exists. A vacancy shall be deemed to exist when a full-time employee is sought to fill a full-time position, after worksite reassignments have been completed, if applicable.

17.5-1 Candidates interviewed for positions will be notified in writing when the position has been filled.

17.6 Involuntary Transfer: The Board and the Association recognize that it may be necessary to transfer a teacher or teachers involuntarily. Such transfers will only be made for one or more of the following reasons:

1) Loss of units
2) Providing for a racially balanced school staff
3) Dividing a school faculty to form a new school
4) Phasing out a program or grade level
5) Changing a program
6) Closing a school
7) Providing for a comparability of schools for Federal program
8) Placing a teacher who has been teaching out of field of certification into his/her field of certification
9) Comply with a court order
10) Redistricting of schools
11) Comply with state and federal legislation

17.6-1 In unusual and special circumstances the Superintendent may recommend to the Board that a teacher be transferred from one position to another specific position for good and sufficient reasons. Any teacher being transferred under this section may not be placed into an out-of-field assignment or a position for which the teacher is not fully qualified and the teacher may receive written reasons for the transfer, if so requested. Such transfers shall not become effective until approved by the Board.

17.6-2 Teachers placed on the involuntary transfer list are considered displaced and, it is their responsibility to provide the Human Resource Services Division with a current/temporary address and phone number. Continuing Contract and Professional Service Contract teachers will be guaranteed placement. Annual or Probationary Contract
teachers will be guaranteed placement only during the term of their contract. If there are not enough positions for placement, the provisions of Article XIX Layoff shall be followed.

17.6-3 When transfers become necessary, no new teacher will be placed to fill positions for which displaced teachers are fully qualified until the teachers have been offered these teaching positions.

17.6-4 Involuntary transfers that are necessary because of complying with a court order or moving teachers into a position for which they are fully qualified will be done by the Board after a recommendation by the Superintendent. Any transfer (involuntary or voluntary) for the purpose of compliance with a legal mandate, or for the purpose of the racial balancing of a faculty to comply with court orders will take precedence over seniority when determining teachers to be transferred.

17.6-5 When transfers become necessary as a result of reasons 1 through 11 in 17.6-1, the Superintendent or the designee shall notify the Association of the staffing allocation changes planned for each affected school. Human Resource Services shall provide the principal of each affected school a list of the school’s teachers. The list will include each teacher’s seniority date and list all certifications on file for which the teacher is fully qualified. Each teacher shall be provided his/her personal information. Before involuntary transfers are made, the principal will announce the position changes planned for the school to the entire staff. Volunteers for involuntary transfer shall be requested. Within the timeline provided by Human Resource Services, the principal shall meet with departments and/or individuals to discuss the impact of the required changes. A list of potential openings shall be maintained and available electronically for the teachers to review on the District’s website (polkschoolsfl.com). Teachers will be provided at least 24 hours to volunteer in order to allow review. If there are more volunteers than needed to reduce the units in that school, the volunteering teacher(s) with the most seniority in the District (as defined in 17.8) shall be submitted for placement on the District-wide displaced list.

17.6-6 If there are not enough volunteers for displacement, then involuntary transfers shall be made based upon seniority as defined in 17.8. All teachers remaining at the school must be approved for their assignments by the Human Resource Services Certification Compliance Department and shall be fully qualified, or if not fully qualified, may be considered for an authorized out-of-field assignment. A list of teachers being involuntarily transferred shall be submitted to the District and be placed on the District-wide displaced list according to their seniority and contract status.

17.6-7 When a group of teachers is involuntarily transferred as a result of reasons 1 thru 11 in 17.6, The Human Resource Services Division will make available to each transferring teacher and the Association a current list of vacancies. Teachers may apply and will be considered for any position for which they are fully qualified. If these teachers are not chosen for the position for which they applied, then the Superintendent will place them in a position for which they are fully qualified.

17.7 Any Continuing Contract/Professional Service Contract teacher placed on the displaced list shall be assigned to a position for which he/she is fully qualified by the Associate Superintendent for Human Resource Services. Refusal by the teacher to accept such assignment shall release the Board from any further obligation to that teacher.

17.7-1 The Superintendent shall submit the contract renewal recommendations for employment to the Board for action at least two weeks prior to the end of the school year. Any annual or probationary contract teacher not rehired may appeal this decision through the two levels of (1) Principal’s current supervisor, (2) Superintendent or designee. Any annual or probationary contract teacher whose position is eliminated, who would have been recommended for reappointment by his/her immediate supervisor, if an opening existed, shall be placed on a “Permitted Re-hire” list.

17.7-2 Existing information regarding non-reappointment and displacement shall be provided electronically to the Association including the CC/PSC Displacement List, the Permitted Re-hire List, and the current vacancy list.
17.7-3 Principals/immediate supervisors shall notify the Business Services Division of vacancies immediately after they occur.

17.7-4 In the event a vacancy occurs within a school from which an Annual Contract teacher has been displaced and after CC and PSC teachers in the District have been assigned and if the Annual Contract teacher is fully qualified, he/she shall be appointed to fill that vacancy unless the teacher has been placed in another position.

17.7-5 Prior to the beginning of the school year teachers in out-of-field assignments will be given first consideration for in-field vacancies as they occur. It is the responsibility of the teacher to make application for any such vacancies as listed on the District’s website (polkschoolsfl.com).

17.7-6 The Permitted Re-hire list shall be distributed to all principals and persons thereon will be given first consideration for appointment to open positions for which they are fully qualified before new hires. The Human Resource Services Division will have ongoing contact with principals with open positions to encourage that the employees on this list be interviewed with the goal of re-hiring these employees as quickly as possible. The Human Resource Services Division will regularly provide the Association with updates regarding the progress of assisting the employees on this list. A final employee status update will be provided the Association regarding those employees who were rehired, those who were offered no position, those who were offered a position and chose not to return, and those who dropped out of the process for any reason.

17.8 Seniority is defined as continuous service, which begins with the effective date of employment as a teacher in the District. If the employment dates as documented on the School Board’s agenda are the same for more than one teacher, and it becomes necessary to determine the order of seniority among said teachers, then the date/time that each was nominated as a teacher candidate as documented on the automated recruitment and hiring system candidate report will be used to determine seniority. Approved leaves of absence will not be considered as a break in seniority.

**ARTICLE XVIII – VACANCIES**

18.1 It is recognized that the law charges the Superintendent with the full responsibility for recommending personnel for promotion, transfer and reassignment.

18.2 The Board and the Superintendent shall continue to implement and review their plan of affirmative action for recruitment, selection, promotion, and retention of minority and women employees of the school system. The Association will be advised of any proposed changes in the affirmative action program and, through the Human Resource Services Division, may make suggestions for improving the plan.

18.3 It is agreed that the Superintendent should find and the Board will employ the best-qualified persons for all positions by giving full consideration to all qualified persons.

18.4 Promotion is defined as a change in job designation from a teacher to a non-classroom instructional (i.e. deans, district-wide coaches, school counselor, media, TRST) coordinative, administrative or supervisory position.

18.5 The Board and the Association agree on the following procedures for vacancies:

18.5-1 All teachers who wish to be considered for an advertised vacancy shall complete the online application process for the position in which they are interested and meet the qualifications.

18.5-2 Teachers who wish to be considered for a school based administrative position must follow the process in the District’s state approved leadership development plan.

18.5-3 Preference will be given to qualified teachers in the Polk County school system, but this does not preclude qualified persons from outside the system from being considered and recommended.
ARTICLE XIX – LAYOFF

19.1 § 1012.33 Florida Statute requires that within a program area facing reduction, the employee who has the lowest performance evaluation is to be the first to be released.

19.1-1 A reduction in force (RIF) may be declared by the Board when it needs to reduce the number of teachers Districtwide because it does not have enough positions for teachers based upon their areas of certification. Prior to declaring a RIF the District will review all open positions to determine if assigning teachers into vacant positions may negate the need for a RIF.

19.1-2 Prior to declaring a RIF the Superintendent or designee shall have a meeting with the Association to review the reason for the layoff and review any possible options which could alleviate the necessity for a RIF.

19.1-3 The Association shall be provided a final list of employees identified for layoff including their SAP#, current assignment, certifications on record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. The Association will be provided an opportunity to review the list and request clarification prior to any employee being notified.

19.1-4 Selection of employees for RIF shall be based on their areas of certification being in an area identified for RIF.

19.2 Should the District prepare to declare a RIF, the District shall first choose among those employees with Probationary Contracts or with no Overall Evaluation Rating or an incomplete Overall Evaluation Rating following the criteria below.

19.2-1 The Superintendent or designee will provide the Association a list of all teachers on Probationary Contracts or who have no Overall Evaluation Rating or an incomplete Overall Evaluation Rating because EPC(s) ratings or the Student Performance rating has not been completed. The list will include each teacher’s current assignment and a list of each teacher’s areas of certification currently on file with the District.

19.2-2 Teachers with Probationary Contracts or with no Overall Evaluation Rating or an incomplete Overall Evaluation Rating and with a corrective action plan will be released first. When no employee on a corrective action plan remains in an appropriate area of certification, then selection will be made among those teachers in this group who have no Overall Evaluation Rating.

19.2-3 Should the District’s RIF necessitate identifying additional employees for layoff, the selection will fall to those teachers in this group with an incomplete Overall Evaluation Rating. These employees will be chosen for RIF based upon the fewest number of points earned. In case of a tie, the selection will be made by drawing lots.

19.2-4 Should the District’s RIF necessitate identifying additional employees for layoff, the selection will fall to those Probationary Contract teachers in this group, if any. These employees will be chosen for RIF based upon the fewest number of points earned for their annual evaluation. In case of a tie, the selection will be made by drawing lots.

19.3 Should the District’s RIF necessitate identifying additional employees for layoff, the District shall choose among those annual contract employees with a completed Overall Evaluation Rating according to the following criteria. The District will identify all annual contract teachers District-wide assigned to teach the course codes needing further reduction and identify their areas of certification currently on file. As required by Florida Statute 1012.33, the completed evaluations will be reviewed and the total points earned on the last evaluation for each employee will be identified. The District will identify the required number of employees for RIF based upon those annual contract employees who have earned the fewest points on their current Overall Evaluation Rating. Should two or more annual contract employees tie, the points earned on the previous year’s Overall Evaluation Rating shall be used in like manner to determine the potential layoff order. Should previous Overall Evaluation Ratings be insufficient to break a tie, the selection will be made by drawing lots. The Association shall receive an initial list of potential annual contract employees to be laid off including their SAP#, current assignment, certifications on
record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. If there is a probationary contract teacher in a position for which the employee would be fully qualified, the Annual Contract teacher will be assigned into the position and the probationary contract employee will be reviewed under 19.2 for potential layoff.

19.3-1 Each employee identified in 19.3 for potential layoff will have their Overall Evaluation Rating score compared with all other Overall Evaluation Rating scores for annual contract teachers assigned to positions for which the employee is highly qualified. The annual contract employee with the lowest Overall Evaluation Rating score will be identified for potential layoff. The process will be repeated until the employees with the lowest Overall Evaluation Rating scores have been identified. Should a tie score be identified throughout this process, the procedure in 19.3 to determine Layoff order shall be followed.

19.4 Should the District’s RIF necessitate identifying additional employees for layoff, the District shall choose among those remaining employees according to the following criteria. The District will identify all teachers Districtwide assigned to teach the course codes needing further reduction and identify their areas of certification currently on file. The District shall first select from among the Professional Service Contract (PSC) teachers, and, if not enough PSC teachers are available, Continuing Contract (CC) teachers. As required by Florida Statute 1012.33, the completed evaluations will be reviewed and the total points earned on the last evaluation for each employee will be identified. The District will identify the required number of employees for RIF from among the PSC teachers based upon those employees who have earned the fewest points on their current Overall Evaluation Rating. Should two or more employees tie, the points earned on the previous year’s Overall Evaluation Rating shall be used in like manner to determine the potential layoff order. Should previous Overall Evaluation Rating scores be insufficient to break a tie, the selection will be made by drawing lots. The Association shall receive an initial list of potential employees to be laid off including their SAP#, current assignment, certifications on record, and the total points received on their current Overall Evaluation Rating noting any additional tie breaker used to determine the potential layoff order. The same process will be used if it is necessary to identify any CC teacher for a RIF. If there is an annual contract or probationary contract teacher in a position for which the employee would be fully qualified, the PSC or CC teacher will be assigned into the position and the annual contract or probationary contract employee will be reviewed under 19.3 for potential layoff.

19.4-1 Each employee identified in 19.4 for potential layoff will have their Overall Evaluation Rating score compared with all other Overall Evaluation Rating scores for teachers assigned to positions for which the employee is highly qualified. The employee with the lowest Overall Evaluation Rating score will be identified for potential layoff. The process will be repeated until the employees with the lowest Overall Evaluation Rating scores have been identified. Should a tie score be identified throughout this process, the procedure in 19.3 to determine Layoff order shall be followed.

19.5 A teacher whose job is being eliminated as part of a reduction in force shall be notified in writing concurrent with declaration by the District of impending layoff.

19.6 No new teachers shall be hired to fill positions for which teachers on layoff are certified and qualified until laid off teachers have been offered teaching positions for which they are certified and/or qualified.

19.7 Any teacher who has been laid off shall be recalled in inverse order (most senior), within the term of his/her contract, to the first vacancy in the District for which said teacher is qualified and/or certified to teach. Any Annual Contract teacher on layoff will be maintained on the recall list until a period of one year has elapsed.

19.8 Within fifteen (15) days of the receipt of a certified letter of recall, a teacher shall notify the Human Resource Services Division in writing as to whether he/she will accept reemployment. Failure to respond to the letter of recall within the time required terminates the teacher’s right of recall.

19.9 Any teacher who would have qualified for regular retirement during the reduction year shall be permitted to teach that year so as to acquire needed service for regular retirement. After that year of teaching, he/she shall be subject to all procedures of personnel reduction.
19.10 Upon reemployment of the teacher, all rights related to salary, fringe benefits and seniority shall be restored.

19.11 Laid-off teachers may pay, on a monthly basis, the premiums for group life and hospitalization for a period up to one year. This benefit may be extended as defined by COBRA (Consolidated Omnibus Budget Reconciliation Act) legislation.

ARTICLE XX - PAID LEAVES

20.1 Sick Leave. Teachers who are employed on a full time basis and who are unable to perform their duties because of their own illness, or because of the illness or death of father, mother, brother, sister, husband, wife, child or other close relative (including in-laws) or member of their own household, shall be entitled to sick leave. Sick leave shall be credited as follows:

Each member of the instructional staff employed on a full-time basis shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year and shall thereafter earn one (1) day of sick leave for each month of employment, which shall be credited to the member at the end of that month and which shall not be used prior to the time it is earned and credited to the member. However, the member shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment. The maximum number of sick leave days that can be earned is twelve (12). Such leave shall be taken only when necessary because of sickness as herein prescribed. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave a member of the instructional staff may accrue, except that at least one-half of this cumulative leave must be established within the District granting such leave.

20.1-1 In the instance of an employee who has been the subject of disciplinary action for absenteeism, the Superintendent may require a certificate of illness from a licensed physician or mid-level practitioner for any illness-related teacher absence.

20.1-2 Sick leave for teachers working beyond regular 196-day contract, including summer school teachers, will be calculated to the nearest 1/2 day using a 19.6 divisor.

20.1-3 Each teacher will be given written notice of his/her accrued sick leave with each paycheck.

20.1-4 A teacher shall have the right to use sick leave in one-half (1/2) day units.

20.1-5 Sick Leave Bank. The Polk School Employee's Sick Leave Bank shall be maintained in accordance with the provisions established by the Sick Leave Bank Committee. The Association shall appoint members to the Sick Leave Bank Committee in proportion to the percentage of its members in the Bank.

20.1-6 A teacher working a 12-month schedule who has exhausted accrued sick leave may use accrued vacation leave without providing advanced notice for up to 40 hours (based on an eight (8) hour work day) per fiscal year (July 1 – June 30). An employee working four (4) hour days may use up to 20 hours per fiscal year. Written verification from a licensed physician is required for use of vacation leave in lieu of sick leave.

20.1-7 A teacher working a 12-month schedule with accrued vacation leave may use no more than twenty (20) consecutive days of vacation leave, calculated at the teacher’s regularly scheduled daily work hours. Vacation leave requests in excess of twenty (20) consecutive days will not be approved. Employees who use twenty (20) consecutive eight (8) hour vacation leave days must return to work for a minimum of 45 calendar days before an additional leave request in excess of five (5) days will be considered. Nothing in this guideline should be interpreted in such a way as to interfere with an employee’s right to use sick leave, Family and Medical Leave Act (FMLA) leave, or Medical leave in accordance with law and Board Policy.

20.2 Personal Leave Chargeable to Sick Leave. Teachers shall be permitted to be absent six (6) days each school year for personal reasons and these days shall be charged against accrued sick leave when used. This leave shall be non-cumulative. A teacher planning to use a personal leave day or days shall notify his/her principal or immediate supervisor at least one day (24 hours) in advance. The teacher shall not be required to give reasons for such leave.
except on such days as specified in this article. Sick leave used for personal reasons may not be used during the first five (5) days or the last five (5) days in which the students are in attendance, or immediately before or after the scheduled holidays of Labor Day, Thanksgiving, Winter Break, Spring Break, Memorial Day, preceding or following recognized holidays provided students are in attendance, or on a Staff Development Day as designated in the District Calendar, except in case of emergency. The teacher shall be required to give reasons when claiming an emergency. Teachers shall not be required to use personal leave chargeable to sick leave to attend a conference when their attendance is required by the administration.

20.3 Bereavement Leave. An employee may be granted up to two (2) additional paid days of Bereavement Leave for the death of an immediate family member, which is defined as father, mother, brother, sister, husband, wife, child or member of their own household. Bereavement leave is also available for the following extended family members, which is defined as grandparent, grandchild, aunt, uncle, mother in-law, father in-law, brother in-law or sister in-law. Bereavement Leave is not transferrable or accruable, and must be used within thirty (30) calendar days of the death. Application shall be made to the immediate supervisor in advance whenever possible. The employee will not be paid Bereavement Leave during non-scheduled workdays. Employees must provide a copy of the obituary, funeral notice, or other satisfactory document attached to the Employee Application for Leave Form. Details about the family member’s relationship may be required.

20.4 Illness in Line of Duty Leave. Illness in the line of duty is granted up to a maximum of ten (10) days per year when any teacher is absent from his/her duties because of personal injury received in the discharge of his/her duty, or because of illness from any contagious or infectious diseases contracted in school work. Any personal injury received while on duty will be considered as a qualifying injury under this policy, provided the injury is reported to the immediate supervisor within twenty-four hours or by the end of the next workday. Any employee who has claim for compensation while absent because of illness/injury incurred on the job shall file a claim within five (5) working days following his/her return from such absence. Contagious or infectious diseases refer to those normally related to children such as measles, chicken pox, and mumps. Additional emergency sick leave may be granted out of local funds for such terms and under such conditions as the Board shall deem proper.

20.5 Verification of Leave. Upon return from leave the teacher will provide the necessary claim forms for verification of absence to his/her principal/supervisor within five (5) work days in accordance with §1012.61, Florida Statutes.

20.6 Professional Summer School Leave. Teachers who wish may apply for leave to attend summer school.

20.6-1 Teachers who have not been reappointed to teach in Polk County the next school term will not be granted professional leave, and personnel who were not employed during the preceding year cannot be granted professional leave if they find it necessary to miss the opening of school or to be absent during pre-school because of college obligation.

20.6-2 Five (5) days of professional summer school leave with pay may be granted to teachers attending colleges or workshops when the schedules are such that leave is necessary. The application for such leave must state the last day of registration or entry that can be made without penalty. Any leave exceeding five days must be personal leave. No summer school leave will be granted while the students are still in attendance. Teachers may appeal this decision to the personnel division for review and possible approval by the Superintendent.

20.6-3 Professional summer school leave will only be granted to personnel to attend summer school as students receiving instruction and in no case will such leave be granted for those who accept positions as teachers or instructors for pay.

20.9 Temporary Duty Assignment. Teachers may request and may be granted temporary duty reassignment at the discretion of the Superintendent. Such temporary duty shall be considered equal to the regular duties of the individual, and teachers performing such assigned temporary duties shall not be considered to be on leave. Temporary duty reassignment may be granted upon request for attendance at state, regional or national academic area conferences. Special consideration shall be given for those persons who hold office in such organizations and/or have been invited to make a major presentation at said conference.

20.10 Teachers who fail to notify their principal or immediate supervisor prior to taking a leave for which they wish to be paid may be charged with personal leave without pay, except in case of emergency.

20.11 Upon notice to the principal/immediate supervisor, adoptive parents may use no more than five (5) days of accrued sick leave after exhausting personal leave chargeable to sick leave for adoption and/or prior to receiving custody to fulfill verified requirements for adoption which require the teacher’s absence from school.

20.12 Administrative Leave. The Superintendent has the authority to place an employee on administrative leave if the Superintendent believes that it is in the best interests of the students, staff, or community.

20.12-1 If an administrative leave extends beyond ten (10) workdays, the employee and the Association will be notified by the Director of Labor and Employee Relations, or his/her designee, the reasons for the extension.

The District shall have a period not to exceed ninety (90) days to reassign the employee to duty in the District. In accordance with federal law, the teacher shall return to his/her former position, if available, or be offered a similar position for which he/she is fully qualified.

20.15 Association President Leave. The Board agrees to grant temporary duty leave to the president of the Association during his/her term of office.

Upon election, the president shall apply for Association leave for the term of their office in writing to the Superintendent. The President shall remain an active employee and shall suffer no loss in benefits during his/her service. The President shall be compensated at his/her teacher salary for 196 days per year, shall receive credit toward annual salary increments, and shall be allowed to remain a part of the health plan and benefit programs to the extent allowed by law.

The Association shall reimburse the District within thirty (30) calendar days upon receipt of an invoice for any and all costs incurred during this period of full time temporary duty assignment, to include, but not limited to costs of
salary, payroll taxes, retirement contribution, health plan contribution, workers’ compensation, and other benefits and/or any other payments present or future incurred by the Board as a result of this arrangement.

When a school having two (2) or more consecutive grades of “D,” or a designation of “F” Priority meets the District’s exit criteria, Section 27.6 and all subsections shall cease to be applied unless specifically stated otherwise. Schools designated as having two (2) or more consecutive grades of “D,” or a designation of “F” Priority, will not be required to receive displaced teachers.

It is important to note that though the first year is designated as a planning year that does not mean that interventions will not be implemented prior to the completion of the first year. Such interventions will be in keeping with the terms of the Collective Bargaining Agreement.

27.4-1 **Planning Year** Following the initial designation of a school as having two (2) or more consecutive grades of “D,” or a designation of “F” Priority, a planning year will occur. During this planning year, the District and school will complete a rigorous evaluation of the existing leadership team, coaches, staff, curriculum, support/interventions and resource allocation. The Superintendent or Deputy Superintendent will meet at least monthly with the PEA President and share the results of the evaluation and the developing plan for turning around the students’ performance and the school grade. Before any documentation or template is submitted to the Florida Department of Education (FDOE) regarding the District’s Turnaround Plan, it will be shared with the PEA President who will be provided an opportunity for input with regard to contractual and legal concerns.

As part of a regularly held faculty meeting, the principal will, on a monthly basis, update the staff regarding the planning process and opportunities will be given for staff to share feedback. It is also agreed that it is in the best interest of both the students, staff, District and Association that the staff also be kept fully informed of the documentation or templates being submitted to FDOE.

The District shall ensure that the Teacher Evaluation System outlined in Article XV is implemented with fidelity each year following the school receiving two (2) or more consecutive grades of “D,” or a designation of “F” Priority. Observations will be performed as outlined and will be conducted over the designated time periods to allow for professional growth. Specific and actionable feedback shall be given as appropriate for each Essential Performance Criterion (EPC) marked less than Effective as outlined in Section 15.7.

If a teacher continues to perform below the Effective level in an identified EPC, the evaluator shall meet with the teacher to discuss the concerns and develop a plan for improvement utilizing the processes in the Collective Bargaining Agreement up to, and including, implementation of a Professional Development Plan (PDP). However,
prior to the implementation of a Professional Development Plan (PDP), the use of the Instructional Assistance Conference (IAC) form for the purpose of guiding a professional conversation is strongly encouraged.

27.4-2 **Subsequent Years**  For subsequent years (after the initial first year), until such time as the school meets the District’s exit criteria for schools having two (2) or more consecutive grades of “D,” or an “F” Priority School:

Teachers with an overall *Effective* or *Highly Effective* evaluation for the previous year may apply, transfer, or be assigned to schools having two (2) or more consecutive grades of “D,” or an “F” Priority school.

Those teachers with less than an overall *Effective* evaluation for the previous year who have been given notice of performance concerns and ample opportunity to improve, as per Teacher CBA Article 15 and the Instructional Evaluation System manual may volunteer to be displaced, be involuntarily transferred or terminated according to the appropriate provisions of the Collective Bargaining Agreement.

27.4-3 **Early Return**: Any school with two (2) or more consecutive “D” grades, or a grade of “F” Priority, will be identified as an Early Return School that will return up to four (4) days prior to the first contracted workday of school year 2017-2018. Should there be insufficient funds available to finance all Early Return Schools, “F” schools shall have first priority. The traditional pre-planning week continues as contractually outlined. All teachers throughout the District shall receive a reminder notification of this contract provision with their May paychecks explaining conditions that require returning early, the number of days and dates, and the methods by which affected teachers at Early Return Schools will be notified.

27.4-4 **Eligible Teachers**: In the identified schools, all teachers, including media specialists, school counselors, and school-based academic coaches, will participate in Early Return activities. Regardless of the subject taught, all teachers will be providing support in the areas of Reading, Math, and Science, as appropriate.

1. **Professional Development**: Early Return participants shall participate in both school-based and District-based Professional Development. School-based Professional Development shall include grade level and departmental collaborative planning, review of student learning growth data, job-embedded Professional Development on lesson study, and other instructional strategies. District-based Professional Development shall include training in Common Core Standards and content specific areas in support of increased learning.

2. **Compensation**: Eligible teachers will be paid their daily rate of pay for school based Professional Development and planning.

**ARTICLE XXVIII - GRIEVANCE PROCEDURE**

28.1 **Purposes**:

A. To set forth an orderly method for processing grievances to a resolution.

B. To secure, at the lowest level possible, solutions to complaints or grievances.

28.2 **Definitions**:

A. A grievance is defined as (1) a claim by a grievant that there has been a violation, misinterpretation, misapplication, or inequitable application of the terms of this agreement; (2) a claim by a grievant that there has been a misapplication of a Board policy, rule, or regulation not covered by this agreement. A grievance concerning Board policy, rule or regulation, may only be carried through Steps I, II, and III.

B. A grievant may be a teacher, a group of teachers, or the Association. Class action grievances shall be initiated by the Association at Step II.
C. The employer is the School Board of Polk County, Florida, or those in the role of management for The School Board of Polk County, Florida.

D. Days mean working days excluding Saturday, Sunday, and holidays.

E. Immediate supervisor is that individual in the role of management for the Board. Each teacher shall have only one immediate supervisor at a particular school or department.

F. Association shall mean the employee organization and its agents certified as the exclusive bargaining agent pursuant to Florida Statutes.

28.3 Procedures:

A. It is important that grievances be handled as rapidly as possible. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. If the grievant fails to initiate a grievance or submit to the next step within the time limits as provided, the problem will be deemed to have been resolved. If the immediate supervisor fails to respond to the grievance within the time limits as provided, the grievance may be carried to the next step immediately. However, time limits may be extended by either party upon one day's written notice to the other party. Such extension shall not exceed ten (10) working days, except in cases of emergency.

B. When grievance meetings and conferences are held during school hours, all employees whose presence is required by either party to provide information with regard to the grievance shall be excused from their regular duties without loss of pay. All meetings shall be by mutual agreement.

C. When illness or other incapacity of the grievant or managerial representative of the Board prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the grievant or representative of the Board can be present.

D. All documents, communications and records dealing with the processing of a grievance shall be filed separately from personnel files of the participants, and this information shall not be transmitted outside the District, except in court cases or subpoenas.

E. In the case of a grievance in which the Association is involved, the Association and administration shall mutually agree on the date and time of all proposed grievance meetings, and the Association shall be advised in writing of the adjustments and dispositions beyond the informal procedure. In grievance cases where the Association is not involved in representing the grievant, the Association shall be advised in writing of all proposed grievance meetings, adjustments and dispositions beyond the informal procedure. The Association shall have the right to send an observer to all grievance meetings.

F. In the event a grievance is filed on or after June 1, time limits for the informal procedure, Steps I and II shall consist of a total of seven (7) days so that the grievance may be resolved before June 30. If the grievance is continued to Step III, the Board shall consider this grievance within fifteen (15) days following the conclusion of Step II.

G. During the informal procedure, if there are administrators present in addition to the principal and a member of his/her managerial staff, the teacher shall be entitled to have additional representatives of the Association, including staff.

H. When the Association is made aware of a problem, it shall try to settle the problem informally with the principal. If, as a result of the discussion, a problem still exists, the Association shall, within ten (10) days, submit to the Assistant Superintendent of Human Resource Services or designee a completed copy of the grievance form. (APPENDIX A – OFFICIAL GRIEVANCE FORM).

I. At Steps I, II, III and IV, Association staff may be involved.
28.4 Resolution Procedure:

Informal Procedure: If a member of the bargaining unit believes he/she has a grievance, he/she shall first discuss the matter in good faith with his/her immediate supervisor in an effort to resolve the problem informally. This action shall take place within fifteen (15) days after the grievant knew or could reasonably have been expected to know of the event giving rise to the grievance.

At the informal procedure, the grievant may be accompanied by an Association member representative or an association staff representative. The immediate supervisor or principal, may have a member of his/her managerial staff, or if none exists, an assistant principal from another school at the meeting in the event that the Association member representative is present. In this informal action, the grievant shall advise his/her supervisor of the particular section of the agreement alleged to have been violated. No record shall be maintained except for a dated and signed statement verifying the fact that an informal discussion has been held. The immediate supervisor will respond to the grievance within two (2) days after the informal meeting.

Step I: If as a result of the informal discussion with the immediate supervisor a grievance still exists, the grievant shall, within ten (10) days after the informal discussion, submit to the Assistant Superintendent of Human Resource Services, or designee, a completed copy of the grievance form (APPENDIX A – OFFICIAL GRIEVANCE FORM). This time limit shall not apply in cases where the nature of the grievance is continuous, or when the resolution agreed to at the informal level has not been or cannot be implemented. Within ten (10) days after the receipt of the written grievance, the Assistant Superintendent of Human Resource Services, or designee, shall arrange and meet with the grievant and/or the Association in an effort to resolve the grievance. The Assistant Superintendent of Human Resource Services, or designee, shall indicate his/her disposition of the grievance in writing at the appropriate place on the grievance form within five (5) days after such meeting and send copies thereof to the grievant and the Association.

Step II: If the grievant is not satisfied with the disposition of the grievance at Step I, such grievant may appeal by filing a form, as contained in the appendices to this contract, with the Superintendent or designee, within fifteen (15) days after the receipt of the decision at Step I. The Superintendent or designee, shall arrange and meet with the grievant and/or Association within ten (10) days after the receipt of the grievance in an effort to resolve the problem. At least one day prior to the meeting each party shall give to the other a list of prospective participants. The Superintendent or designee, shall indicate his/her disposition of the grievance in writing within five (5) days after the meeting and shall furnish a copy thereof to the Association, the grievant and the immediate supervisor.

Step III: In the event the Association is not satisfied with the disposition of the grievance made at Step II, or if no disposition has been made within five (5) days of such meeting, then within ten (10) days thereafter, the grievance shall be transmitted to the Board by filing a copy with the chairman of the Board. The Board shall within fifteen (15) days meet publicly for the purpose of listening to any oral arguments presented by the grievant and/or Association and the Superintendent or Superintendent’s designee. The grievant/Association and the Superintendent or Superintendent’s designee shall simultaneously exchange briefs outlining their positions and related documents without oral testimony. The disposition by the Board shall be made and announced within three (3) days of the public hearing. A copy of such disposition shall be furnished to the Association, the grievant, the immediate supervisor, and the Superintendent.

Step IV: In the event the Association is not satisfied with the disposition of the grievance by the Board, the grievance may be submitted to arbitration before an impartial arbitrator. Notice of such submission shall be given in writing to the Superintendent and Superintendent’s designee within five (5) days after the Association has received a written disposition from the Board. The arbitrator shall be selected from the American Arbitration Association in accord with its rules, which likewise govern the arbitration proceedings.

MISCELLANEOUS PROVISIONS:

1. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement.
2. The Board and the grievant shall not be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.

3. The Board and the Association shall share equally the fees and expenses of the arbitrator when the grievance is processed by the Association. Neither the bargaining agent nor the Board shall be responsible for the cost of grievance arbitration by a member of the bargaining unit when the grievance is not processed by the Association.

4. If the Board refuses to arbitrate a grievance arising under this agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex parte basis.

5. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this agreement.

6. No reprisals of any kind shall be taken against any party in interest participating in the grievance procedure.

7. Notwithstanding the expiration of this agreement, any grievance arising while the agreement was in effect may be processed through the grievance procedure until resolution.

8. Any teacher for whom a grievance is sustained shall be reimbursed in accordance with the award of the arbitrator.

9. The Association reserves the right to insure the proper use of the grievance procedure for the bargaining unit. If the Association has declined to process or further process any grievance presented to it, and if any employee or group of employees desire to process it or further process their own grievance through this procedure, the bargaining agent shall be sent copies of all written communications sent by the employer or the employee(s) involved. Further, nothing herein contained shall be construed to prevent any public employees from presenting, at any time, their own grievance in person or by legal counsel to the employer and having such grievance(s) adjusted without the intervention of the bargaining agent, provided however, that the adjustment is not inconsistent with the terms of the collective bargaining agreement then in effect and provided further that the bargaining agent has been given notice and reasonable opportunity to be present at any meeting called for the resolution of such grievance.

10. Should either party request a transcript of the proceedings at Step IV, then the party shall bear the full costs of the transcript. If each party requests a transcript, the cost of the two transcripts will be divided equally between the parties.

11. Each party shall bear the full cost of its representation at all steps of the grievance procedure.

12. A teacher shall have the right to have an Association member representative present when a grievance is being discussed. In a case where no Association member representative is present to attend the informal procedure, the discussion may be postponed and the Association staff will have the right to appoint an Association member to attend the informal session.

13. The grievant may, after the informal procedure, present the grievance in writing to the Association who will provide an opportunity for a meeting with the grievant to decide the merits of the case within five (5) days after receipt of the grievance by the Association.

ARTICLE XXIX - MAINTENANCE OF STANDARDS

29.1 Should any provision of this agreement be declared illegal by a court of competent jurisdiction, or as a result of state or federal legislation, or as a result of changes in Florida State Board of Education Administrative Rules, said provision shall be automatically modified by mutual agreement of the parties to the extent that it violates the
law. The remaining provisions shall remain in full force and effect for the duration of this agreement, if not affected by the deleted provision.

29.2 No teacher employed within the bargaining unit shall, as a result of omission through oversight in the negotiation of this agreement, suffer a reduction in pay, loss of economic fringe benefits, or loss of experience credit previously granted.

29.3 This agreement shall supersede any rules, regulations, or practices of the Board, which shall be contrary to or inconsistent with the terms of this agreement.

ARTICLE XXX - NO STRIKE

The Association shall not authorize, sanction, condone, engage in or acquiesce in any strike as defined in Florida Statutes § 447.203(6), § 447.501(2)(e), and § 447.505. "Strike" means the concerted failure to report for duty, the concerted absence of employees from their positions, the concerted stoppage of work, the concerted submission of resignations, the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer for the purpose of inducing, influencing, condoning or coercing a change in the terms and conditions of employment or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer, the concerted failure to report for work after the expiration of collective bargaining agreement, and picketing in furtherance of a work stoppage.

ARTICLE XXXI – BOARD’S RIGHTS

31.1 The Board has the right to determine the purpose of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations.

31.2 The Board may direct its employees, take disciplinary action for just cause, and relieve its employees from duty because of lack of work, or other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their Association from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of any collective bargaining agreement in force.

31.3 Fitness for Duty: The Superintendent or designee may require a physical and/or psychiatric examination by a physician and/or psychiatrist licensed in Florida when, in its judgment, such an examination is relevant to their work performance or employment status. The selection of the physician and/or psychiatrist shall be made by the employee involved from a current list of no fewer than three (3) practicing physicians and/or psychiatrists who are not employees of the Employee Health Clinic(s), named by the District and the District shall pay all costs incurred in the examination. Physical examination forms shall be available from the Human Resource Services Division.

31.4 Educational Emergency: Section 1001.42(21), Florida Statutes, provides for negotiation of special provisions to free schools with a school grade of “D” or “F” from contract restrictions that limit the school’s ability to implement programs and strategies needed to improve student performance. The negotiations shall result in a memorandum of understanding that addresses the selection, placement, and expectations of instructional personnel and provides principals with the autonomy described in s. 1012.28(8). For purposes of this subsection, an educational emergency exists in a school district if one or more schools in the district have a school grade of “D” or “F.”
ARTICLE XXXII – CHARTER SCHOOLS

A. Notification to Polk Education Association

1. When the Polk County School Board receives an application for a charter school, the PEA will: Receive a copy of the application within ten (10) working days, or a mutually agreed upon extended time frame, and notify the Polk County School Board’s bargaining agent of any possible impact of the proposed charter school on wages, hours, and the terms and conditions of employment of the bargaining unit members it represents.

B. Voting Procedures for Conversion of an Existing School

1. Pursuant to §.1002.33(3)(b) Florida Statute, an application to convert an existing public school to a charter school must demonstrate the support of at least 50 percent of the teachers employed at the school. To the extent allowed by law, balloting to demonstrate such support shall be done by secret ballot, provide for adequate notification (no less than 24 hours) to all eligible teachers, provide a process which is clearly explained prior to the actual vote, and provide for votes to be counted by an impartial committee whose make-up shall be disclosed to the School Board as part of the application review process.

2. Pursuant to §.1002.33(3)(b) Florida Statute, an application to convert an existing public school to a charter school must also demonstrate the support of at least 50 percent of the parents voting whose children are enrolled at the school, provided that a majority of the parents eligible to vote participate in the ballot process. To the extent allowed by law, balloting to demonstrate such support shall be done by secret ballot, provide for adequate notification of all eligible parents, provide a process which is clearly explained prior to the actual vote, and provide for votes to be counted by an impartial committee whose make-up shall be disclosed to the School Board as part of the application review process.
ARTICLE XXXIII - CONTRACT TERM

The terms and conditions of this contract shall become effective as of July 1, 2019. Any and all grievances, which may be filed during the term of this contract, will be settled on the basis of the procedure and remedies as set forth in this Collective Bargaining Agreement.

In the event that the legislature imposes action affecting a section(s) of this agreement between the Board and the Association, the Board and the Association shall meet in negotiations to resolve any conflicts created by such imposed acts.

This Collective Bargaining Agreement shall remain in full force and effect through June 30, 2022 unless agreement is reached before that date. The parties agree that negotiations will continue on an ongoing basis in a collaborative, interest based approach to resolve problems, with salaries negotiated as agreed upon.

This Agreement shall not be extended orally.

APPENDIX B – TEACHER SALARY SCHEDULE 2020-2021

Florida Statute §. 1012.22(1) requires two salary schedules for paying teachers beginning in 2015-2016. Teachers who hold and choose to retain their Continuing Contract (CC) or their Professional Service Contract (PSC) (both CC and PSC contracts statutorily require due process for a teacher prior to termination) are required to be placed on a “Grandfathered Salary Schedule” and are denied access to “merit pay.”

All other teachers, regardless of their date of hire, are statutorily required to be placed on a “Performance Salary Schedule” which includes “merit pay.” Florida statutes allow any teacher on the “Performance Salary Schedule” to have their employment terminated for no reason at the end of any year. CC and PSC teachers who choose to be paid on the “Performance Salary Schedule” are required to permanently relinquish their due process rights to continuing employment and become Annual Contract teachers.

APPENDIX E - PAY FOR POLK VIRTUAL SCHOOL TEACHERS

Pay per Semester (1/2 credit)

- Bachelor’s degree: $18.09 per hour for 7 hours for each student.
- Master’s degree: $19.42 per hour for 7 hours for each student.
- Specialist/Doctorate degree: $21.00 per hour for 7 hours for each student.

For example, a teacher with a Bachelor’s degree with twenty students would earn $2,533 for the semester: ($18.09 x 20 students x 7 hours = $2,533)

Student Withdrawal

Teachers would be paid $75.00 if a student withdraws from the class. Withdrawal should take place within the first three weeks of the class. Withdrawal after that time may occur only with permission of the Polk Virtual School Director; however, teachers will be paid the full amount outlined above.
APPENDIX F - GROUND RULES

1. Bargaining proposals, amendments or counter proposals pertaining to the Agreement which the Association or the Board desire to be negotiated shall be submitted in writing by each party.

2. The Superintendent or his representative, and the bargaining agent, or its representative, shall meet at reasonable times for the purpose of negotiating and seeking agreement. All sessions shall commence at the agreed upon time.

3. The most recent Collective Bargaining Agreement, as amended, will be used by both parties as a point of reference for deletions, amendments and all other changes.

4. Throughout negotiations, all tentative agreements shall be signed by a representative designated by each party. By mutual agreement a tentative agreement may be reopened for negotiation.

5. Only members of the respective teams are allowed to speak during the sessions. An exception shall occur only when the Board and/or the Association informs the other party prior to the meeting in which their consultant shall speak. The expense of such consultants shall be borne by the party requesting them.

6. Questions from observers shall be allowed only at the end of each session. Neither party will tolerate any harassment from observers during sessions.

7. Bargaining meetings shall be scheduled as frequently as necessary to expedite arriving at total agreement on items under consideration. The representatives of both parties shall conduct negotiations professionally and in good faith. Both parties agree to submit to mediation prior to declaring impasse.

8. The Association and the Superintendent will determine the formula and method to be used in costing out salary and supplementary salary schedules.

9. The negotiations team has a responsibility to look at the interpretation of data and apply it appropriately. The Board shall provide release time for the Association's negotiators when both parties agree that it is necessary to conduct sessions during scheduled hours of work.

10. When the negotiating teams reach tentative agreement on all items under negotiations, the proposed and tentative agreement shall be written and submitted to the Board and the Association for ratification with a favorable recommendation from the negotiating teams. Upon receipt of notice of ratification by the Association, the Board shall take action on ratification at their next meeting. If both parties ratify the agreement, then the parties shall sign two (2) copies of the final decision (one copy for the Board and one copy for the Association). If either party shall refuse to ratify the agreement reached by the negotiating teams, the party shall make a written statement to the other party as to their reasons. Said notification shall result in prompt resumption of negotiations, which lead to settlement or impasse procedures.

11. Proposals remain on the action item agenda to be addressed at the next bargaining session until tentatively agreed upon or mutually dropped.

12. All three teams will meet together to discuss salary and insurance issues.

13. The opportunity for all to speak freely and honestly about any issue; to ask questions freely and openly; to make a conscious effort to be employee and system-oriented, directed toward constancy of purpose; to encourage each other; using effective criticism and offering praise for the courage to try; to keep a positive outlook, maintaining high expectations; and to provide patience and consideration to each team member.

14. All decisions on bargaining agenda items will be decided upon only in bargaining team meetings.
APPENDIX G - SICK LEAVE BUY BACK

Any teacher with thirty (30) or more sick leave days accrued at the end of the 2009-2010 school year and who notifies the District in writing by May 1, 2010 on the appropriate form may cash in any or all sick days over a minimum accrual of four (4) days earned but not used during the 2009-2010 school year. For example, a teacher who is eligible and has a balance of ten (10) sick days at the end of the 2009-2010 school year may choose to cash in one or more of the six (6) days over the four (4) day minimum accrual. Payment will be made at the beginning of the 2011-2012 school year and will be calculated on a daily rate pursuant to section 22.12 of this collective bargaining agreement. This provision is for the 2009-2010 school year only.
Eligibility for JROTC District Certification

Teachers in the Junior Reserve Officer Training Corps (JROTC) have demonstrated competency through previous military training and are exempt from professional preparation coursework. Certification for JROTC instructors will be voluntary. The District application and fee must be submitted to the District Human Resource Services Certification Compliance Department in order to determine eligibility for a District Certificate.

Requirements for a District Professional Certificate in JROTC

1. Completion of an application for District Certification to include a fee for processing.
2. Submit a copy of the DD214 Form to Human Resource Services reflecting a service separation date.
3. The criteria established in statute for employment of instructor of Junior Reserve Officer Training, 1012.55(4) will assure the instructor possesses the appropriate skills in pedagogical knowledge and subject matter competence.
4. New JROTC instructors will be required to demonstrate Professional Education Competencies to assure an acceptable level of professional performance.
5. One (1) year of successful teaching in a JROTC program.

Note: JROTC Teachers not meeting the requirements for a District Professional Certificate can be issued a three (3)-year non-renewable District Temporary Certificate. A Statement of Eligibility listing the requirements to earn a five (5)-year District Professional Certificate will be issued along with the certificate.

To renew the five-year District Professional Certificate, a total of six (6) semester hours or 120 inservice points earned during the validity period of the certificate to be renewed will be required. The renewal will require completion of an application and fee.

Experience Credit for the Salary Schedule (11/11/13 MOU Language)

1. The District shall give to currently employed JROTC instructors credit on the salary schedule for previous teaching experience, regardless of whether the instructor held a Bachelor’s degree during the prior teaching experience, in accordance with the applicable provisions of the Teacher Collective Bargaining Agreement. The teaching experience credit shall be in addition to experience credit for military service for which the employee is eligible in Article 22.

Evaluation of JROTC Instructors (2/8/16 MOU language)

1. Following completion of one (1) year of successful teaching in a JROTC program, a Category I JROTC teacher will become a Category II teacher for purposes of the annual evaluation, regardless of whether or not he/she holds Florida Professional Educator Certification.
APPENDIX I - OCCUPATIONAL THERAPISTS AND PHYSICAL THERAPISTS

Occupational Therapists (OTs) and Physical Therapists (PTs) have some unique circumstances which differ from other members of the bargaining unit. This Appendix addresses these unique circumstances for OTs and PTs only. All sections of this Collective Bargaining Agreement (CBA) apply to OTs and PTs unless in conflict and specifically addressed in this Appendix.

1. Sick leave used for personal reasons may be used immediately before or after a holiday.

2. Sick leave may be used in increments of one hour units.

3. The work week for OTs and PTs is forty (40) hours per week. OTs and PTs will develop their own schedules to best meet the needs of their assigned caseload. Time and attendance will be documented through their time sheets. Flexible scheduling of time with no split shifts shall be allowed. Flexible scheduling may be utilized to accommodate meetings and medical appointments. If a conflict or discrepancy occurs with a student or school schedule, the principal or designee, in collaboration with all parties involved, will meet and resolve the issue.

4. The District will maintain access for OTs and PTs to receive Continuing Education Units (CEUs) without charge. Appropriate training for OTs and PTs who need workshops or in-service training hours for maintenance of their license shall be sufficient in quantity for renewal. The District shall provide such training by becoming an approved Florida provider of continuing education for OTs and PTs, or, shall partner with an approved continuing education provider which shall offer appropriate content to OTs and PTs without cost, or, shall reimburse OTs and PTs for the cost of such training, or, some combination thereof. OTs/PTs shall be allowed to attend the Working with Experts trainings at the closest location with no limitation on the number who can attend. If a student has a specific need, alternative coverage will be found.

5. **Summer Employment Selection** – When OT and/or PT services are offered to students during ESE summer Extended School Year (ESY), current District employees shall have the right of first refusal. All Polk County District OTs and PTs shall be notified and have five contract days to notify the District of their interest. Only if all District OTs and PTs refuse the additional work may the District use contract employees. If more District OTs or PTs are interested than there are position available, the available positions will be filled by a lottery drawing. The lottery shall eliminate the PT or OT that filled the positions the previous summer, unless there are not enough internal OTs or PTs to fill the existing positions. The lottery will be witness by the PREA president or designee.

6. **Summer Employment Compensation** – An employee selected for ESE summer ESY shall receive their hourly rate of pay.

7. **Evaluation Process** – OTs and PTs will be evaluated using the forms and processes approved by the FLDOE in April 2014. These forms and processes would remain in place until a new evaluation system is jointly developed with PEA.

8. **Initial Placement on Salary Schedule** – Current OTs and PTs initial placement on the salary schedule at the beginning of the 2014-2015 school year will be at the step that is equal to their current salary. If the current salary does not match a step, the employee will be placed at the next highest step. Any raises negotiated for the 2014-2015 shall be in addition to this initial placement.

   a. Any employee who is earning more than the highest step on the salary schedule shall be an outlier and maintain his/her current salary. Any raises negotiated for any years while being
an outlier shall be determined separately with a goal of increasing pay while allowing the employee to move closer to being on the salary schedule. The District shall provide a list of all outlier to the Association annually. A mechanism for the placement of employees deemed to be outliers will be discussed as a regular part of the collective bargaining process annually.

9. Licensed OTs and PTs whose licensure is based upon a Bachelor’s Degree will be treated the same in all respects, including salary, as OTs and PTs whose licensure is based upon a Master’s Degree.

10. **Experience Credit for new employees** – Newly hired employees may receive credit for up to twenty (20) years of documented work experience as a licensed OT or PT. The newly hired employee shall be moved one (1) step on the salary schedule for each two (2) years of documented full time experience. Credit shall be granted retroactively to the newly hire employees initial employment date if documentation is provided to the Personnel Department within the first 90 contract days.
APPENDIX K – INSTRUCTIONAL ASSISTANCE CONFERENCE GUIDELINES

1. The Instructional Assistance Conference Form process and form is used by the administrator and teacher in a professional conversation to identify specific areas of concern coupled with suggested action to be taken to assist the teacher in helping students achieve learning gains. The Instructional Assistance Conference is not disciplinary in nature and does not take the place of a Professional Development Plan (PDP) Process.

2. The conference should produce collaborative ideas for suggested actions to assist the teachers who demonstrate satisfactory performance, but who may need assistance in targeted areas. This procedure should not be used with teachers demonstrating unsatisfactory performance.

3. Monitoring is informal; however, an initial meeting and an exit meeting are required.

4. Once strategies are defined, the teacher is provided support personnel who are available to assist in the successful completion of the strategies. One action step will be to name person(s) designated to assist the teacher as needed with items noted on the Instructional Assistance Conference Form.

5. An IAC must be open for a minimum of 30 work days, but no more than 90 work days. If after 90 days the principal chooses to continue the IAC process they must generate a new form.

MEMORANDUM OF UNDERSTANDING

BETWEEN

THE SCHOOL DISTRICT OF POLK COUNTY, FLORIDA

AND

THE POLK EDUCATION ASSOCIATION, INC.

2020-2021 INSTRUCTIONAL EVALUATION

STUDENT ACHIEVEMENT OBJECTIVES (SAO) RATINGS

Ratified 4/23/21 Bargaining Unit and 4/27/21 School Board

WHEREAS, the Polk Education Association, Inc. (PEA) is the certified bargaining agent for the School District of Polk County, Florida (District); the District is the employer and party to the Teacher Collective Bargaining Agreement (CBA) with PEA; and,

WHEREAS, due to the unprecedented COVID-19 virus pandemic, on March 16, 2020 the Florida Department of Education (FDOE) cancelled student assessments for the 2019-2020 school year. The recent implementation of instructional continuity plans makes classroom observation requirements difficult to achieve. As a result, annual evaluations required under Section 1012.34, F.S. were waived by FDOE for the 2019-2020 school year; and,

WHEREAS, Teacher CBA Article 15 provides, “15.3 The process of evaluating Instructional Personnel will be ongoing during the school year. Instructional Personnel will be fully informed of the criteria and procedures associated with the evaluation process as outlined in the evaluation manual. All procedures and timelines, as outlined in the evaluation manual, shall be followed. Instructional Personnel will be provided electronic access to the evaluation manual within their first 15 work days. All Instructional Personnel new to the evaluation process shall be trained regarding the Instructional Personnel Evaluation processes and requirements within the first 10 contract days of employment.

Student Achievement Objectives:

15.17-2 Starting in the school year 2018-2019, an instructional employee without a state calculated VAM must establish a SAO for the student learning data portion of their evaluation. Teachers with a state calculated VAM may elect to complete a SAO and use that data as their student learning data in their evaluation. An employee establishing a SAO must complete the forms and follow the process in the evaluation manual. An employee may work collaboratively on their SAO with other employees but may not be required to do so. Journey will be open on the first contract day to begin developing the SAO. The completed SAO template must be initially submitted to the principal/administrator no later than the fifth (5th) student day following Data Day as established in the official Polk County Public School District Calendar (September 21, 2020);” and,
WHEREAS, the Instructional Evaluation System manual states, under Classroom Teacher SAO Final Rating (manual p. 185),

“Based on the final level of each student in the course, an outcome of **Yes** (the target was met or exceeded) or **No** (the target was not met) is recorded in the Outcome column of the Target table. After an entire class or group of students has been entered on the table, a final effectiveness score is determined. This determination is made by dividing the number of students who met the target by the number of students in the class or group. For example, a teacher set rigorous and realistic targets and was accurate for 8/12 students, the effectiveness rating would be Effective. In other words, 67% of the outcomes were achieved. The following is the rating scale that has been established for SAO Teacher ratings.”

</tr>
</thead>
<tbody>
<tr>
<td>☐ <strong>Unsatisfactory</strong></td>

<tr>

</tr>
</tbody>
</table>

NOW, THEREFORE, due the FDOE 2019-2020 instructional evaluation waiver, and in an effort to continue to build toward mastery of the Student Achievement Objectives process, the parties agree as follows regarding SAO ratings:

1. For the 2020-2021 school year the scale for assigning a summative rating to a Student Achievement Objective will remain the same as that of 2019-2020, with the goal to amend the rubric to its final stage for 2021-2022.

   a. **2020-2021 School Year**

2. Instructional Personnel that are required to use the SAO process to determine Student Learning Data but who do not participate in the SAO process, will receive no rating and the Student Learning Data portion of their Summative Evaluation will be calculated with ZERO points.

3. All references to ratings that include points will reflect the rating ONLY and the points for each rating will be reflected in the Calculating SLD Points and Instructional Practice Points charts (manual p. 7).

4. The Decision Tree for SAOs (manual Appendix E) will be reviewed and revised as necessary to include potential mitigating circumstances such as technical difficulties noted prior to the SAO deadline.

This agreement will expire June 30, 2022.

SAFETY PROTOCOLS

Amended 8/30/21- Section C.3 and C.4

TEACHERS, PARAEDUCATORS AND EDUCATIONAL SUPPORT PERSONNEL

Purpose: The purpose of this Memorandum of Understanding is to memorialize the parties’ agreement regarding the reopening of Polk Public Schools for the 2021-2022 School Year in a manner that prioritizes best pedagogical practices and the safety and well-being of the students, families, employees, and the community here in Polk County.

WHEREAS, the Parties agree to work together and extend their full cooperation to the greatest extent possible in arriving at the safest possible working conditions to accommodate all members within the three bargaining units. A plan to reopen schools safely demands transparency, comprehensive communication, and meaningful partnership with stakeholders including local health authorities, parents, students, employees, and other community partners; and

WHEREAS, this agreement covers all bargaining unit employees. No language in this Memorandum of Understanding will serve as an employee waiver for PCPS liability if an employee should contract COVID-19 in their workplace.

NOW, THEREFORE, the parties mutually agree on the best practices and safety procedures for the reopening of PCPS schools and recognize that the presence of COVID-19 requires additional safety precautions:

A. SAFETY PROTOCOLS (SEE COVID-19 RESPONSE GUIDANCE FOR POLK COUNTY PUBLIC SCHOOLS HTTPS://POLKSCHOOLSFL.COM/BACKTOSCHOOL/)

The parties agree to work toward implementing all reasonable safety precautions including recommendations for face coverings and other available personal protective equipment (PPE), social distancing where feasible, and sanitizing of buildings and facilities to the extent possible.

The District’s cleaning protocols are established by the Florida Department of Health, Centers for Disease Control and Prevention (CDC), using Environmental Protection Agency (EPA) approved products for the cleaning and sanitizing of schools.

Where feasible, the District will adopt staggered arrivals and departures, and multiple arrival and departure locations, to maximize physical distancing.

Cleaning and Safe Work Environment

a. The District will ensure adequate equipment and supplies are provided to support hygiene behaviors, use of Personal Protective Equipment, and sanitation. There will be a supply of face coverings, gloves, disinfectant spray, hand sanitizer with at least 60% alcohol, soap, paper towels, tissues, handwashing and sanitizing stations at all times that may be requested. High-touch areas will be disinfected throughout the day. Deep cleaning will take place when there is a confirmed case. Air conditioning filters will be changed
more frequently.

b. Each classroom will be supplied with an air purifier as inventory becomes available.

c. Bargaining unit employees are not required to clean or sanitize classrooms; however, these supplies will be available for their use.

d. Employees are encouraged to report safety concerns to their campus/worksites administrator for further investigation and resolution.

Face Coverings and Other Personal Protective Equipment

a. Face coverings are optional and are optional for any visitors and collaborative partners while they are on campus, and, must follow the student code of conduct regarding slogans, images, etc.

b. Teachers and itinerant personnel of PreK, VPK, ESE Separate Class/Self-Contained settings, face coverings, face shields and medical gowns will be provided for additional alternative personal protective equipment (PPE) upon request.

c. Students have the option to wear their own face coverings, however, the PCPS will provide face coverings for students in need.

Symptom Self-Screening and Awareness - (See COVID-19 Response Guidance for PCPS - https://polkschoolsfl.com/backtoschool/)

a. Employees are not to report to work should they have symptoms and will immediately inform their principal/supervisor or the Health and Wellness Department. Employees must follow established procedures for return to work, based on latest guidance by the Polk County Department of Health, and the Superintendent of Schools.

b. If staff are sent home from work based on symptoms and are unable to work remotely due to job duties or illness, staff are to work with their medical provider or the Polk County Department of Health as to their ability to work and follow absence options for COVID-19 (see Section C - Leaves Available for COVID-19 Related Absence below).

c. Employees will not be required to complete the daily health screening form prior to coming to work. All staff, students and stakeholders should still self-assess for COVID-19 symptoms prior to coming on campus. If symptoms are present, they should stay home and consult with their primary care provider to see if testing is warranted.

d. Visiting/Itinerant employees must complete a contact tracing form upon arrival at check-in to the school building.

e. Online COVID-19 Exposure Form for Staff

Staff who have tested positive or have been identified as close contacts must complete the COVID Exposure form on the staff portal. The online form is no longer required for symptomatic staff with no known exposure to COVID-
19. Instead, symptomatic staff should follow the "Returning to School or Work After Having Suspected Signs for COVID-19" section of this document below.

**Returning to school/work after having suspected signs of COVID-19**

For symptomatic persons without known exposure to a confirmed COVID-19 case:

a. **If testing for active COVID-19 is not performed**, person should isolate at home until fever free for 24 hours without fever reducing medication, their symptoms are improved, and at least 10 days have passed since date of symptom onset. (People with severe disease or immunocompromised may need to isolate at home longer.)

b. **If testing for active COVID-19 is negative**, person should stay home until fever-free for 24 hours and symptoms are resolved. Proof of a negative test will be necessary to return to school in this situation. The test must be conducted by a third party. At home tests are not accepted as proof of negativity.

c. **If released by a physician due to a confirmed non-COVID related illness**, person should base their return date on the doctor’s release. Staff members must present the release to the school/supervisor in order to return before the 10-day isolation period is complete.

For symptomatic persons with a known close exposure to a confirmed COVID-19 case:

a. Persons are encouraged to consult their medical provider and be tested for COVID-19.

B. **PERSONS SHOULD ISOLATE AT HOME UNTIL FEVER FREE FOR 24 HOURS WITHOUT FEVER REDUCING MEDICATION, SYMPTOMS ARE IMPROVED, AND AT LEAST 10 DAYS HAVE PASSED SINCE DATE OF SYMPTOM ONSET. (PEOPLE WITH SEVERE DISEASE OR IMMUNOCOMPROMISED MAY NEED TO BE ISOLATED AT HOME FOR LONGER.) DUE TO THE CLOSE CONTACT, A NEGATIVE TEST RESULT DOES NOT SHORTEN THE 10-DAY INTERVAL.**

C. **STAFF ARE REQUIRED TO INFORM THEIR PRINCIPAL/SUPERVISOR IMMEDIATELY IF THE ILL PERSON IS DIAGNOSED WITH COVID-19.**

d. If a staff member tests positive for COVID-19, it is possible that others will be considered close contacts and need to be quarantined for at least 10 days. This will be decided on a case-by-case basis in collaboration with the Health Department.

e. For staff testing positive for COVID-19, the COVID Liaison will alert school administration and their Regional Superintendent and will follow the protocol.
Returning to work after testing positive for COVID-19

A staff member who had confirmed COVID-19 can return to work/school when:

a. They are fever-free for 24 hours without the use of fever-reducing medications; AND  
b. Symptoms are improving; AND  
c. At least 10 days have passed since that date of symptom onset. (This may be different than the date they present themselves in the clinic.)  
d. In addition, **staff who test positive for COVID-19 will be required to have a physician’s release to return to work.**

Guidance for persons in close contact to someone with COVID-19

a. If a person has close contact to someone with COVID-19, but they are not sick, they must quarantine at home and not go to school or work, childcare, or public places for 10 days. Total days of quarantine may be longer than 10 days if the exposure was someone in the person’s household.  
b. While at home, they should watch their health for signs of fever, cough, shortness of breath, and other COVID-19 symptoms.  
c. Staff who are fully vaccinated (two (2) weeks after their final dose of vaccine) will not be required to quarantine after being exposed or considered a close contact to a COVID-19 positive individual as long as they remain asymptomatic.  
d. At this time, staff members who are told to isolate or quarantine are required to use personal/sick leave for these days unless the exposure occurred at school or work AND they can provide a doctor’s note stating that they are medically unable to be vaccinated.  
e. If a person develops symptoms of COVID-19 during their quarantine, they should consult their medical provider, seek testing for COVID-19, and follow guidance above for confirmed COVID-19 cases.

NOTE: A negative test after exposure does not shorten the 10-day quarantine period for asymptomatic individuals.

Staff Meetings

a. Upon parent request, student/parent/teacher meetings may be held virtually on a District approved platform to include but not limited to parent meetings, Individualized Education Plan (IEP) or Education Plan (EP) meetings, 504 meetings, Behavior Intervention meetings, etc. If a meeting cannot be held virtually, all meeting participants have the option to wear Personal Protective Equipment (PPE) and must observe appropriate CDC social distancing guidelines.

b. Staff development and faculty meetings will be held virtually when feasible to ensure limited exposure of staff. However, staff development and faculty meetings can
be face-to-face, and staff covered under this MOU will have the option of coming to face-to-face meetings or can attend virtually. For smaller meetings, staff will have the option to participate virtually if a face-to-face meeting is called (i.e., grade level meetings, department meetings, PBIS, MTSS, etc.).

c. In extenuating circumstances employees may work with their administrator to access meetings remotely.

**Substitute Teachers and Paraeducators**

a. Any employee who is asymptomatic but is advised by a health care provider to self-isolate, may continue to deliver instruction remotely to students while a substitute monitors the classroom. If there are unfilled substitute positions, classes will be balanced to maintain social distancing and only as a last resort.

b. Teachers may volunteer to cover classes during their planning period. Teachers will be compensated for their regular hourly rate of pay for this coverage using the Special Activity Payroll reporting process.

c. Paraeducators may be assigned to an unfilled teacher absence as a substitute teacher per the Paraeducator Collective Bargaining Agreement Article 8.2-8.

d. For the period of this agreement, Paraeducators who provide student instruction in the absence of a teacher must be compensated with the following supplement for substituting instructional assignments for the 2021-2022 school year: $50 full day (7.5 hours) and $25 half day (3.25 hours).

e. Paraeducators may be assigned to proctor one (1) class period at the school site during the virtual instruction by another teacher. This temporary reassignment is for the purpose of maintaining classroom management and is not eligible for additional compensation.

f. Paraeducators directed to proctor the entire day will receive additional compensation: $20 full day (7.5 hours) and $10 half day (3.25 hours).

g. **Payroll Instructions:** The Special Activity Payroll Time Log and Report forms should reflect the school/worksite’s Cost Center and Fund 10017220.

**B. EDUCATIONAL SUPPORT PERSONNEL AND PARAEDUCATORS**

a. It is expected that Paraeducators and possibly clerical Educational Support Personnel will cover student lunch periods whether in the cafeteria or classrooms to maintain a duty-free lunch for teachers.

b. In the event that more adult supervision is needed during lunch times, individual staff members may elect to waive their duty-free lunch on a monthly basis. Additionally, the District will provide adequate time and staffing for said staff members to take care of personal needs.

c. Should support staff forfeit their duty-free lunch they may have flexible scheduling
for an alternate lunch time or will be compensated at their regular hourly rate of pay. The Special Activity Payroll reporting process will be followed for compensation. The Special Activity Time Log and Report forms should reflect the school/worksite’s Cost Center and Fund 10017220.

C. LEAVES AVAILABLE FOR COVID-19-RELATED ABSENCE

a. In addition to the leave options available in the three Collective Bargaining Agreements, multiple leave options are available for pandemic-related absences. Employees shall not be subject to disciplinary action for use of any approved leave of absence related to COVID-19, or the federal and local leave options outlined below, or in the exhaustion of available/accrued leave. Employees who have exhausted their accrued sick leave due to the quarantine of an immediate family member within the same household and are in a no-pay status will not be subject to disciplinary action.

b. Absences related to COVID-19 shall not be reflected in the personnel evaluation.

c. Amended 8/30/21: Types of leave available retroactively to July 1, 2021, are:

Option 1: Paid Leave for COVID-19 Positive Employees
Any employee who contracts COVID-19 in the performance of their regular duties:
  i. Ten (10)-Day allotment of COVID-19 Paid Leave
  ii. Up to five (5) additional days of paid leave with a physician’s note.

Option 2: Paid Leave for Employees Identified as a Close Contact to COVID-19 Positive Case
Any employee identified as a close contact to a COVID-19 positive case in the performance of their regular duties is expected to work remotely where possible. If an employee occupies a position where remote work is deemed unfeasible by their principal/supervisor, they will have access to up to ten (10)-days per employee of COVID-19 Quarantine Paid Leave, ten (10) days includes Option 1.a above.

d. Amended 8/30/21: The District agrees to meet with the PEA to evaluate requests for additional paid leave on a case-by-case basis. The employee must notify the supervisor that they wish to have their case reviewed. The committee reviewing these individual cases will be made up of three (3) PEA Representatives and three (3) District Representatives.

e. To maintain consistency of instruction, teachers must continue working through PCPS-mandated quarantine so as not affect their accrued leave balance.

f. Remote work options will be discussed between the employee and their principal/supervisor to determine the feasibility of this option based on existing roles and responsibilities.

D. TRAINING

a. All staff will have the option to participate in training, professional development, PLCs, etc. through District approved virtual platforms. The District will provide
comprehensive training for all bargaining unit employees on proper safety protocols and how to handle situations unique to COVID-19. Additional trainings will be offered during the 2021-2022 school year.

Teachers and CDAT Classroom Paraeducators

Purpose: The purpose of this Memorandum of Understanding is to memorialize the parties’ agreement regarding Instruction During Quarantine in a manner that prioritizes best pedagogical practices and the safety and well-being of the students, families, employees, and the community here in Polk County.

WHEREAS, the Parties agree to work together and extend their full cooperation to the greatest extent possible in arriving at the safest possible working conditions to accommodate all members within the three bargaining units. A plan to reopen schools safely demands transparency, comprehensive communication, and meaningful partnership with stakeholders including local health authorities, parents, students, employees, and other community partners; and,

WHEREAS, this agreement covers all teacher collective bargaining unit employees: and,

WHEREAS, this agreement covers classroom CDAT (Child Development Associate Teacher) paraeducators in Childcare Services, Head Start, Preschool and Teen Parent programs.

NOW, THEREFORE, the parties mutually agree on the best practices for Instruction During Quarantine for PCPS schools and recognize that the presence of COVID-19 requires additional instructional continuity procedures performed by teachers and CDAT classroom paraeducators:

G. Instruction During COVID-19 Quarantine

a. Teacher and CDAT Paraeducator expectations if they are in quarantine:

In the event a teacher/CDAT is quarantined and able to provide instruction, the teacher/CDAT will provide live lessons through District-licensed Microsoft Teams or Zoom. If employees need resources from their worksite to successfully work remotely, then they need to contact their principal/supervisor to coordinate the pickup of those necessary resources. The school will provide a delegate to monitor students in the classroom. The delegate will be charged with tasks such as logging onto the live lesson, taking attendance, and facilitating and monitoring discussion for the employee.

COVID-19 positive employees who are unable to work due to illness are in no way expected to provide live instruction as they are on some type of approved leave of absence- COVID-19 Leave, FMLA, Medical Leave, Paid Sick Leave, etc.

b. Teacher and CDAT Paraeducator expectations for their students who are in quarantine:

In the event a teacher has a student who is quarantined, teachers will utilize Schoology and District licensed Microsoft Teams or Zoom, electronic links and/or printed resources to provide instruction. Teachers will provide students classroom
assignments on Schoology, access to live, webinar like lessons, recorded lessons, electronic links and/or printed resources for students.

i. **Student assignments on Schoology:**

Teachers/CDAT Paraeducators will post assignments for students in their Schoology course to continue learning while being quarantined. Curriculum resources for many content areas are found on Schoology content area groups. For support for using Schoology, visit [https://sites.google.com/mypolkschools.net/technologyrachel/online-classroom-solutions](https://sites.google.com/mypolkschools.net/technologyrachel/online-classroom-solutions).

ii. **Student Instruction:**

Teachers/CDAT Paraeducators have the flexibility of any combination of the following options to provide instruction to their students on quarantine.

1. Teachers/CDAT Paraeducators can offer live, webinar like lessons. Live webinar lessons will use district licensed Microsoft Teams or Zoom and take place during the student’s class period. The intent of the live, webinar like lessons is to provide the delivery of direct instruction to quarantined students. It is highly recommended that teachers respond to student/parent instructional questions within 24 hours.

2. Teachers can offer recorded lessons. Instructional lessons can be recorded and placed in Schoology. It is highly recommended that teachers respond to student/parent instructional questions within 24 hours. Recorded lessons are to be posted in a timely manner so quarantined students don’t get behind on their schoolwork.

3. Teachers can offer links to instructional content for students.

4. Teachers/CDAT Paraeducators can offer printed resources to guide instruction. It is highly recommended that teachers respond to student/parent instructional questions within 24 hours.

5. *Helpful hint:* For teachers/CDAT Paraeducators with multiple students from different classes that are quarantined, it is suggested that the teacher record the live lesson and post it to Schoology for all of the appropriate class periods.

c. **Compensation for additional duties to support remote instruction during COVID-19 quarantine:**

Teachers/CDAT Paraeducators will be paid a $300 quarterly stipend for supporting remote instruction for COVID-19-quarantined students. Teachers are eligible for this additional compensation if they perform and document any of the following duties, but not limited to:

i. Record a minimum of three (3) lessons per week (for block schedules a minimum of two (2) per week) and post those lessons to Schoology;
ii. Communicate a minimum of two (2) documented messages per week, or as requested by student/parent/guardian, with quarantined students and/or their families to support remote instruction via email, phone call, video teleconferencing software (e.g., Zoom, MS Teams, etc.);

iii. Prepare printed resources or other resources to support remote instruction during COVID-19 quarantine for students. Printed resources must be available within 48 hours in the school office for pick-up by the parent/guardian.

1. The teacher/CDAT paraeducator and their principal/supervisor will jointly review and determine eligibility for this $300 quarterly stipend. If there is a dispute between the teacher and their principal/supervisor as to the teacher’s eligibility, then eligibility will be jointly determined by the school/worksite’s Regional Assistant Superintendent and a PEA Representative.

2. Payroll Instructions: The Special Activity Payroll Report should reflect the school/worksite’s Cost Center and Fund 10017220.

3. The $300 quarterly stipend will be paid as follows:
   1) First Quarter ending October 14, 2021: November 30, 2021

(PEA) as evidenced by the respective signatures below, are parties hereto and agree to this Memorandum of Understanding (MOU) as more specifically set forth herein.

WHEREAS, the PEA is the certified bargaining agent for the District; and, the District is the employer and party to the Teacher and Paraeducator Collective Bargaining Agreements (CBA) with the PEA; and,

WHEREAS, Section 1008.33, Florida Statutes (2021), authorizes the State Board of Education to apply intensive intervention and support strategies tailored to the needs of schools earning consecutive grades of “D” or a grade of “F.” PCPS must immediately implement intervention and support strategies prescribed in rule and by September 1 provide the FDOE with the memorandum of understanding negotiated pursuant to s. 1001.42(21); and,

NOW, THEREFORE, with the mutual goal of increasing student achievement the parties agree to additional expectations for school-based instructional staff and paraeducators for the 2021-2022 and 2022-2023 school years.

1. Work Schedule and Planning Time

In addition to the planning time outlined in Article VI, on up to two (2) days each week teachers and paraeducators will be scheduled for one (1) mandatory additional hour beyond their assigned duty day to participate in administrator-directed planning. On each of the remaining three (3) days one (1) hour beyond the duty day will be for voluntary self-directed planning time.

a. One (1) of the two (2) administrator-directed days will be reserved for professional learning communities (PLC) on campus. Should an employee be advised to isolate or quarantine remote participation via the approved District platform is acceptable.

b. The second administrator-directed day is reserved for student data gathering and review to increase student achievement on campus. Should an employee be advised to isolate or quarantine remote participation via the approved District platform is acceptable.

c. The three (3) teacher-directed planning periods will be used for classroom and non-classroom teachers to accomplish the individual work and preparation for instruction. Teachers are responsible for the proper utilization of the self-directed portion of planning time. The teacher-directed planning periods do not have to take place at the worksite.

d. School-based subject area coaches will participate as a resource to guide and supplement the planning time.

e. At the school level there will be grade level autonomy to implement intervention plans, change students within learning groups, and Tier 2 & 3 interventions in consultation with the school administrator.

f. The additional planning time is not designated for independent coaching support for new teachers or for mentorship.

g. Teachers, paraeducators, and administrators will mutually agree on the one-hour schedule either before or after the duty day, allowing flexibility for shortened weeks due to a holiday, designated Teacher Work Day or Staff Development Day.

h. Student Early Dismissal Wednesdays: The additional hour of planning time may not be scheduled after students are dismissed early. All contractual provisions in Teacher CBA Articles 3 and 6 regarding self-directed planning time on early dismissal Wednesdays remain in effect. The same provisions in items a and b above regarding quarantine apply to paraeducators.

Paraeducators are expected to attend mandatory
planning time meetings up to two (2) days each week and provide tutoring services as assigned.

j. **Implementation:** Staff may voluntarily begin participating in the up to two (2) administrator-directed days and up to three (3) voluntary self-directed planning days at the onset of this agreement. The up to two (2) mandatory administrator-directed days per week will begin the first week of the second quarter, Monday, October 18, 2021.

2. **Compensation**

Employees will be compensated at their regular rate of pay for the additional weekly hours of mandatory (2 hours) and voluntary (3 hours) planning time up to five (5) hours per week. Attendance will be documented using meeting attendance logs and the Special Activity Payroll process. The Special Activity Payroll Time Log and Report forms should reflect the school/worksite’s Cost Center and Fund 10017220.
3. **Teacher Effectiveness**

Intensive effort will be made to find instructional staff that meets the demonstrated mastery to ensure appropriate staffing levels are met in the school.

a. Teachers in the following core areas must demonstrate a 2017-2018 4-year aggregate State Value Added Model (VAM) score higher than Needs Improvement to be retained: algebra (8-9), language arts/reading (4-10) and math (grades 4-8).

b. Other instructional staff, including but not limited to ESE and ESOL, that generate a state VAM rating will also be considered a core teacher.

c. Non-VAM evaluated teachers such as science and social studies must demonstrate an overall 2020-2021 PCPS Student Achievement Objective (SAO) Evaluation rating of Highly Effective or Effective to be retained.

d. Teachers within their first year of teaching and without an evaluation or student learning data source, will be considered Effective.

4. **School-based Coaches and Interventionists**

Academic Coaches and Interventionists will be held to the same criteria as core teachers. To ensure that the teachers develop a high degree of comfort when working with the Academic Coaches and Interventionists, the parties acknowledge that these invaluable resource persons are not administrative or supervisory, but rather act as partners and mentors in furthering the goal of improving academic results.

a. All current content-specific support staff (coaches/interventionists) will be rescreened for the placement of candidates.

b. Coaches/interventionists will be held to the same expectations as classroom teachers at the DA school.

c. Coaches/interventionists must demonstrate an overall 2020-2021 and 2021-2022 PCPS Student Achievement Objective (SAO) Evaluation rating of Highly Effective or Effective to be retained at the DA school.

d. Coaches/interventionists may be subject to an involuntary transfer to a position for which they are certified and qualified at a non-DA school if the coach/interventionist has an overall evaluation rating of less than Effective for the 2020-2021 or 2021-2022 school years.

5. **Itinerant Teachers**

Itinerant instructional staff assigned to the school(s) will be held to the same expectations as full-time school-based staff.

6. **Teacher Retention**

Teachers may apply for promotional positions (see Teacher Article 18.4) with PCPS (not a charter school), and will be permitted, if offered, to accept the promotion. All provisions regarding the Hardship Transfer process in Article 17.4-1 remain in effect. Nothing in this Agreement shall serve to waive the requirement in the Teacher Collective Bargaining Agreement Article 17.4-3 that
“Probationary Contract Teachers shall not be allowed to seek a transfer until the end of the school year in which his/her probationary period is completed.”

7. Improvement/Movement of Teachers

All Essential Performance Criteria, as documented in Journey, will be monitored by the administration for performance. Any pattern of less than Effective on any Essential Performance Criteria, observable and non-observable, will result in intervention by administration and development of a plan for improvement.

When student progress monitoring shows early data indicators in need of improvement there will be a meeting with the teacher to discuss the Essential Performance Criteria and develop a plan for improvement as defined in the Teacher Collective Bargaining Agreement. The plan will be monitored and failure to show improvement could result in the teacher being involuntarily transferred out of the school.

The decision to move a teacher will be made in conjunction with the Superintendent’s designee and the External Operator (if applicable). Teachers in need of improvement will only be transferred out if an Effective or Highly Effective teacher (based on 2020-2021 overall evaluation) is available to fill the position. Prior to removing teachers from the school, the Human Resource Services Division will work with the school administration and the PEA to ensure alternate placement of identified instructional personnel.

8. Professional Development Activities

Professional development will be job embedded and data driven to move the turnaround plan forward as presented to the FDOE. In addition to the Teacher Staff Development Days defined in the Board-approved School Calendar, additional days of staff development beyond the duty day may also be required throughout the school year. Every reasonable effort will be made to notice training dates at least two (2) weeks in advance.

a. Should there be a need, school administration will notify affected teachers regarding any mandatory staff development dates and specific work hours by email, phone calls and social media outlets.

b. Should a current teacher have a conflict regarding mandatory attendance, a request for a later training opportunity outside of the regular duty day will be considered on a case-by-case basis.

c. Teachers newly hired/ transferred to the school after any mandatory training dates will be offered comparable staff development outside of the regular duty day at a future date.

d. Any mandatory staff development during the school year that is held beyond the regular duty day will be remunerated at the employee’s regular hourly rate of pay.

9. Lesson Plans

In addition to the provisions in Teacher Article 6.9, lesson plans will be provided in SharePoint one (1) week in advance for administrator review.
